Border Daring:

Borders, Boundaries, and Frames Mae Henderson, 2013-10-31 The essays in this volume take up the challenge of working out or reworking the problematics of the borders the boundaries and the frameworks that structure our various and multiple notions of identity textual personal collective generic and disciplinary The contributors to this volume write about subjects and are often themselves subjects who refuse to occupy a single territory who cross geographical cultural national linguistic generic specular and disciplinary borders Essays by Kathryn Hellerstein Anita Goldman Jane Marcus and Scott Malcomson explore the semiotics of exile and the problem of its representation in the lives and writings of individual artists and intellectuals Autobiographical criticism as represented in the essays by Nancy Miller and Sara Suleri enlarges our conventional notions of what constitutes literature in general and criticism in particular *Aramaean Borders* Jan Dušek, Jana Mynářová, 2019-04-09 This book is devoted to the analysis of borders of the Aramaean polities and territories during the 10th-8th centuries B C E Specialists dealing with various types of documents Neo Assyrian Aramaic Phoenician Neo Hittite and Hebrew texts invited by Jan Dušek and Jana Mynářová addressed the topic of the borders of the Aramaean territories in the context of the history of three geographical areas during the first three centuries of the 1st millennium B C E northern Mesopotamia and the Assyrian space northern Levant and southern Levant The book is particularly relevant to those interested in the history and historical geography of the Levant during the Iron Age Studies directly relevant to ancient Israel and others demonstrating historical geography's limitations make an instructive volume Alan Millard *Journal for the Study of the Old Testament* 44:5 2020 **No Borders** Natasha King, 2016-10-15 From the streets of Calais to the borders of Melilla Evros and the United States the slogan No borders is a thread connecting a multitude of different struggles for the freedom to move and to stay But what does it mean to make this slogan a reality Drawing on the author's extensive research in Greece and Calais as well as a decade campaigning for migrant rights Natasha King explores the different forms of activism that have emerged in the struggle against border controls and the dilemmas these activists face in translating their principles into practice Wide ranging and interdisciplinary No Borders constitutes vital reading for anyone interested in how we make radical alternatives to the state a genuine possibility for our times and raises crucial questions on the nature of resistance *Wilson's Tales of the Borders, Etc* John Mackay Wilson, 1877 **Printing Types and Catalogue of Borders, Ornaments, Electros, & Brass Rules** William Caslon and Son, 1930 *Liquid Borders* Mabel Moraña, 2021-03-14 *Liquid Borders* provides a timely and critical analysis of the large scale migration of people across borders which has sent shockwaves through the global world order in recent years In this book internationally recognized scholars and activists from a variety of fields analyze key issues related to diasporic movements displacements exiles illegal migrants border crossings deportations maritime ventures and the militarization of borders from political economic and cultural perspectives Ambitious in scope with cases stretching from the Mediterranean to Australia the US Mexico border Venezuela and deterritorialized

sectors in Colombia and Central America the various contributions are unified around the notion of freedom of movement and the recognition of the need to think differently about ideas of citizenship and sovereignty around the world Liquid Borders will be of interest to policy makers and to researchers across the humanities sociology area studies politics international relations geography and of course migration and border studies

Nellie Macpherson: a Tale of the Borders. From the 'Border Treasury' of 1875 N. Macpherson,1875 *Borders Revisited* Bastian A. Vollmer,2021-08-12 The nature and configuration of borders and the relationship between state borders and societies have changed In the 21st century internationalism transnationalism and super diversity have further provoked complexities and anxieties It seems that as border and migration regimes undergo dramatic transformations their public profile increases This book revisits borders bordering practices and meanings with a particular focus on the United Kingdom as a case study Bastian A Vollmer examines not only the theoretical and historical dimensions of borders but also various empirical data including extensive text corpora and dozens of in depth interviews Expanding on the concept of vernacular security that is an everyday understanding of security he argues that the existential value of borders is not merely physical but extends into the order and future construction of states and societies This book demonstrates decisively that the concept of the border has not left the centre stage of philosophy political theory and political sociology but has instead emerged as a focal point for multidisciplinary engagements It further demonstrates how attention to a vernacular perspective can inform those engagements yielding vital insights As such it should appeal to students and scholars across disciplines interested in the contemporary development and relevance of borders and their discursive cultures

Crossing Borders Dominik Bonatz,Andreas Reinecke,Mai Lin Tjoa-Bonatz,2012-01-01 Based on recent field research and excavation finds the contributions in this volume focus on cultural practices and materials which reflect processes of integration specification and diversification in the prehistory and early history of Southeast Asia With chapters on the variability and distribution of lithic assemblages funerary practices the spread of Neolithic cultures and field agriculture and the development of Metal Age remains different approaches are presented to interpret these phenomena in their specific environmental context Crossing Borders contains 25 papers presented at the 13th International Conference of the European Association of Southeast Asian Archaeologists EurASEAA Held in Berlin in 2010 the conference was jointly organized by the Institute of Ancient Near Eastern Archaeology at the Freie Universitat Berlin and the German Archaeological Institute The peer reviewed proceedings bring together archaeologists art historians and philologists who share a common interest in Southeast Asia s early past
