## **Born To Kill:**

**Born Killers** Christopher Berry-Dee, 2009-11-02 It's an age-old question: is it nature or nurture? Can there really be a demon seed that causes serial killers to act the way they do? Or is it an unfortunate combination of influences and events during their formative years that has turned them into such monsters? But no matter how many people they have killed, no matter how many lives they have ruined, and whatever the nature of their sickening crimes, serial killers are still human. Analysing the early years of the lives of men like Jeffrey Dahmer, who abused and killed 17 young men, offers a fascinating insight into the effects of a dysfunctional or abusive childhood. Criminologists Christopher Berry-Dee and Steven Morris have spoken and corresponded with killers all over the world in a quest to discover what made them the way they are. For the first time, the inner workings of the minds of the most destructive individuals on the planet are revealed in shocking detail. **Born Killers** shows, through a sophisticated system of psychological profiling, how the potential serial killer develops. Read it, and you too may be able to spot the signs.

**Born to Fight** Jorge Masvidal, 2024-08-06 In this inspiring rags-to-riches memoir, UFC star Jorge Masvidal reveals how he went from a poor son of immigrants on the streets of Florida to one of the most successful athletes in the world, and how you can use the same principles to achieve success in your life. When an older bully pushed the smaller Jorge Masvidal to the ground in second grade and tried to steal his bike, something snapped inside him. A skinny kid with a big head, Jorge grew up in a tough Miami neighborhood, raised by a single mom while his Cuban refugee father was in and out of jail. Jorge reacted in the only way he knew how: a flurry of punches and kicks fueled by red-hot rage that sent the bully to the ground. Over the years, Jorge Masvidal channeled rage into discipline and used his fists to go from feared street scrapper to one of the world's greatest professional fighters. But his influence isn't limited to the cage. Jorge channels his discipline and work ethic in every endeavor, getting involved in politics, social causes, and business. Now, in **Born to Fight**, Jorge brings his inspiring story to life and proves that every person has the capacity to reach their full potential and achieve the American Dream.
