A February Bride Betsy St. Amant, 2014-01-28 A year's worth of novellas from twelve inspirational romance authors Happily ever after guaranteed Allie left the love of her life at the altar to save him from a lifetime of heartbreak When a Valentine's Day wedding brings them back together she struggles against her family's destructive history Can Allie ever realize that a marriage is so much more than a wedding dress History repeats itself when Allie Andrews escapes the church on her wedding day in the same dress passed down for generations and worn by all the women in her family women with a long history of failed marriages Allie loves Marcus but fears she's destined to repeat her family's mistakes She can't bear to hurt Marcus worse Marcus Hall never stopped loving Allie and can only think of one reason she left him at the altar him When the two are thrown together for his sister's Valentine's Day wedding he discovers the truth and realizes their story might be far from over Can Allie shuck expectation and discover who she is as a bride and in the Bride of Christ And if she ever walks down the aisle what dress will she wear I was delighted to hear that some of my own favorite authors would be writing the stories for the Year of Weddings collection and when I saw the gorgeous book covers I knew the series would be a huge hit There's just something so hopeful and heartwarming about a wedding and I'm thrilled to have A January Wedding be a part of this fun project Deborah Raney author of A January Bride

A Man's Reach Charles Edward Locke, 1914 [San Antonio 365](#) David Martin Davies, Yvette D. Benavides, 2020-06-09 San Antonio 365 On This Day in History tells one story a day in the history of the Alamo City from popular lore to lesser known events critical to understanding its people and culture The result is a treasure trove of remarkable tales highlighting small ripples that created big waves in the region's history The stories in San Antonio 365 are fun and enlightening slices of history but they also highlight our collective need to learn from the past Internationally known as a center of business and tourism

San Antonio has also been the site of significant episodes in the fight for equal rights and justice the importance of economic and cultural diversity and the evolution of good government Among the 365 stories are the anti Communist riot at Municipal Auditorium led against Emma Tenayuca the segregation of cinemas and swimming pools and the 1955 integration of San Antonio schools Charming anecdotes and quotes bring each story to life For instance did you know that Butch Cassidy and the Sundance Kid cooled their heels on the streets of San Antonio a few miles from what would become Interstate 10 where the rock group R E M filmed their iconic video Everybody Hurts A lively essay introducing each month underscores the important ways that history is never just about the past As Kurt Vonnegut said History is merely a list of surprises It can only prepare us to be surprised yet again San Antonio 365 brings to life more than three hundred years of surprises highlighting both historical moments that have been overlooked and those told again and again and the compelling characters who shaped the city
