*The Blue Window* Suzanne Berne, 2023-01-10 From the Orange Prize winning author of *A Crime in the Neighborhood* comes a sharply witty and impeccably written Star Tribune Minneapolis novel featuring a therapist attempting to unlock the most difficult cases of her life those of her son and of her mother Anyone who s ever had trouble persuading a teenager or an elderly parent to open up will recognize Lorna s dilemma during the three days she finds herself alone in a remote lakeside cottage with her mutely miserable son and her impenetrable mother Despite her training as a clinical social worker and her arsenal of therapeutic techniques she s resisted at every turn as she tries to understand what s made the two people most important to her go silent Though silence has always marked Lorna s family Her father was deaf Her mother Marika abandoned Lorna and her brother when they were children No explanation was ever offered Nor why Marika resurfaced eighteen years ago to invite Lorna and her infant son Adam to Vermont for a strained reunion A relationship of sorts has followed an annual Thanksgiving visit during which Marika sits taciturnly among the guests at Lorna s table agreeing only to be seen to exist But now it s Adam who won t talk Home from college and suffering over something he won t disclose he s so depressed that he refers to himself as A for Anti Matter So when she s summoned to Vermont because Marika has had a fall Lorna sees an opportunity to get Adam out of the house and maybe also a chance to finally connect with her mother What she never anticipated was that grandson and grandmother would form a bond and leave her out of it How do you care for people you can t understand and who don t want to be understood Suspenseful poignantly funny and beautifully incisive *The Blue Window* explores the ways people misperceive each other and how secrets and silence wielded and guarded exert their power over families and what luminous frightening and tender possibilities might come forth once those secrets are challenged Suzanne Berne is an elegant psychologically astute novelist Tom Perrotta whose new book reveals what happens to people who hide from themselves and the act of imagination it takes to find them [The Blue Window](#) Temple Bailey, 1926 [Blue Windows](#) Barbara Wilson, 2014-12-30 From Mary Baker Eddy the founder of the Church of Christian Science to Deepak Chopra Americans have struggled with the connection between health and happiness Barbara Wilson was taught by her Christian Scientist family that there was no sickness or evil and that by maintaining this belief she would be protected But such beliefs were challenged when Wilson s own mother died of breast cancer after deciding not to seek medical attention having been driven mad by the contradiction between her religion and her reality In this perceptive and textured memoir *Blue Windows* Wilson surveys the complex history of Christian Science and the role of women in religion and healing [Blue Window](#) Adina Rische Gewirtz, 2018-04-03 Five siblings fall through time and space into a strange unkind world their arrival mysteriously foretold and land in the center of an epic civil struggle in a country where many citizens have given themselves over to their primal fears and animal passions at the urging of a power hungry demagogue When siblings Susan Max Nell Kate and Jean tumble one by one through a glowing cobalt window they find themselves outside their cozy

home and in a completely unfamiliar world where everything looks wrong and nothing makes sense Soon an ancient prophecy leads them into battle with mysterious forces that threaten to break the siblings apart even as they try desperately to remain united and find their way home Thirteen year old twins Max and Susan and their younger siblings take turns narrating the events of their story in unique perspectives as each of the children tries to comprehend their stunning predicament and their extraordinary new powers in his or her own way From acclaimed author Adina Rische Gewirtz comes a riveting novel in the vein of C S Lewis and E Nesbit full of nuanced questions about morality family and the meaning of home
