## **Drunken Master:**

Legacies of the Drunken Master Luke White,2020-04-30 In 1978 the films Snake in the Eagle's Shadow and Drunken Master both starring a young Jackie Chan caused a stir in the Hong Kong cinema industry and changed the landscape of martial arts cinema. Mixing virtuoso displays of acrobatic kung fu with knockabout humor to huge box office success they broke the mold of the tragic and heroic martial arts film and sparked not only a wave of imitations but also a much longer trend for kung fu comedies that continues to the present day. *Legacies of the Drunken Master* the first book length analysis of kung fu comedy interrogates the politics of the films and their representations of the performing body. It draws on an interdisciplinary engagement with popular culture and an interrogation of the critical literature on Hong Kong and martial arts cinema to offer original readings of key films. These readings pursue the genre in terms of its carnival aesthetic, the utopias of the body it envisions, its highly stylized depictions of violence, its images of masculinity and the registers of its hysterical laughter. The book's analyses are carried out amidst kung fu comedy's shifting historical contexts including the aftermath of the 1960s radical youth movements, the rapidly globalizing colonial enclave of Hong Kong and the emerging consciousness of its 1997 handover to China and the transnationalization of cinema audiences. It argues that through kung fu comedy's images of the body the genre articulated in complex and often contradictory ways political realities relevant to late twentieth century Hong Kong and the wider conditions of globalized capitalism. The kung fu comedy entwines us in a popular cultural history that stretches into the folk past and forward into utopian and dystopian possibilities. Theoretically rich and critical *Legacies of the Drunken Master* aims to be at the forefront of scholarship on martial arts cinema. It also addresses readers with a broader interest in Hong Kong culture and politics during the 1970s and 1980s, postcolonialism in East Asia and action and comedy films in a global context as well as those fascinated with the performing body in the martial arts.

*White Cranes and Drunken Masters* Phil Davison,2006-08 For most of 1991 Phil Davison lived in the town of Lukang in rural Taiwan where he taught English and studied White Crane Kung Fu. *White Cranes and Drunken Masters* is the record of this time laced with humour, Chinese philosophy, geomancy, alcohol, unrequited love, spirit possession and of course Kung Fu. This book is a compelling read.

This book is a great resource for both Players and Game Masters wishing to introduce some eastern flavor into their game.

*The Hong Kong Filmography, 1977-1997* John Charles,2015-06-14 Thanks to the successes of directors and actors like John Woo, Jackie Chan and Chow Yun Fat the cinema of Hong Kong is wildly popular worldwide and there is much more to this diverse film culture than most Western audiences realize. Beyond martial arts and comedy Hong Kong films are a celebration of the grand diversity and pageantry of moviemaking covering action, comedy, horror, eroticism, mythology, historical drama, modern romances and experimental films.
