Coming Clean C. L. Parker, 2016-09-20 The steamy conclusion of C L Parker s Monkey Business Trio They have been rivals who fought until the bitter end and lovers who know every sensual inch of each other s bodies Now sports agents Cassidy Whalen and Shaw Matthews are about to become the one thing they never expected to be parents But this new dynamic to their relationship threatens to fizzle the sizzling desire that once held them in thrall to each other If salvation is only a forbidden fantasy away then Shaw and the woman he loves must embark on the adventure of their lives Cassidy is aching to reignite their connection In steamy assignations in strange places she and Shaw live out their most intimate desires and reveal their deepest secrets But as Shaw works overtime to sign a superstar athlete a corporate reshuffling could be a game changer Can Cassidy and Shaw save their relationship and have it all a career family and passion that never quits *Coming Clean* is intended for mature audiences Praise for *Coming Clean* Parker s witty insightful and inventive *Monkey Business Trio* finale after *Getting Rough* packs an emotional punch as a couple in present day San Diego grapple with being true to themselves and demystifying family legacies Spunky and charismatic characters and riveting banter make this hard fought for romance irresistible Publishers Weekly In the final installment of the *Monkey Business* trio Parker puts obstacles in the couple s way that propel the story into a compelling read RT Book Reviews *Coming Clean* provides a realistic sometimes heartbreaking glimpse at the simultaneous frailty and strength in a relationship Heroes and Heartbreakers I cried laughed was hot and bothered and I loved every bit of this installment I couldn t ask for a better ending to this trilogy Under the Covers Book Blog The ending was perfect Fiction Fan Girls [Coming Clean](#) Liz Fraser, 2021-09-30 Raw unflinching incredibly brave BBC Woman s Hour Visceral and gripping Amy Liptrot author of *The Outrun* *Coming Clean* is a searingly honest memoir of loving an alcoholic both through the heaviest drinking years and into recovery When Liz Fraser s partner fell into a catastrophic vortex of depression and alcoholism Liz found herself in a relentless hailstorm of lies loneliness and fear looking after their young child on her own heartbroken mentally shattered and with no idea what was happening or what to do As she and her family moved between Cambridge Venice and Oxford she kept the often shocking truth entirely to herself for a long time trying in vain to help her partner find a path to sobriety until she herself finally broke from the trauma and started to speak out only to find she was one of hundreds experiencing similar things also living in silence and fear Part diary part travel journal and part love letter *Coming Clean* is the true story of addiction of many kinds mental collapse and heartbreak Above all it offers a voice of deep human compassion strength and hope for recovery I hope that in sharing this story it might change the way addiction is talked about and understood from both sides encourage open trusting and supportive dialogue between addicts and those their addiction affects and provide some solace and help for those who need it as I did [Coming Clean](#) Tom Gunn, 2010-09-22 If you think you have a drinking problem you probably do If you think you can handle it without any outside help you re probably wrong In fact I ll bet you ve tried And still have a problem Thus begins

Tom Gunn's *Coming Clean* a handbook disguised as a memoir a small book with a big message a book that cuts through the excuses and puts a spotlight on the path to recovery In this Gunn is an expert a well practiced substance abuser from the age of fifteen who spent more than twenty years living in a self induced fog before confronting his disease He's been sober now for almost thirty years and has stories to tell While readers will learn something about Tom Gunn they will learn more about themselves Gunn trained as a lawyer became a super salesman and served as head of international sales for one of the world's largest aerospace companies and as president of a helicopter company For too many years he avoided getting straight and thought he was doing just fine As he writes I always was very good at my job in spite of the fact that I was using After I came clean I was very good at my job I always thought that booze and pills made me super creative helping me write speeches and position papers and marketing plans and I was on top of the world Truth was I was very good at faking it Call it style over substance It was not until I got sober that I learned how creative I really could be Advance praise for *Coming Clean* In more than three decades specializing in the assessment and treatment of addiction I've read many books written by and for substance abusers Some are technical some anecdotal some conversational and each makes a contribution in one way or another but I've never before read a book that so effectively targets men and women who know they have a problem but are not yet comfortable with the idea of doing something about it Ronald B Dicker PhD Licensed Clinical Psychologist St Louis Missouri [Coming Clean](#) Jonathan Edwards, Addie Stephen, 2000-06-09 *COMING CLEAN* a discussion of typical heterosexual behaviors doesn't pretend that masculine and feminine miscommunications should be celebrated as multicultural differences or inter species contact In a society obsessed with sex but fraudulent about real exploration of its vagaries Edwards and Stephen contend that most people think sex is dirty that sexual excitement is based on taboo and that most of us don't believe decent people should do that stuff Weary of sentimental self help books that serve warmed over romantic clichés and rationalize neo Victorian voyeurism the authors gaze at the reptilian spectacle of sexual congress and the nightmare of idiotic mind games between men and women *COMING CLEAN* exposes the guilt confusion and self loathing that people choke back when we remember what we did last night In the wake of the sexual revolution and the erotophobic backlash this book dispenses with self deceiving nonsense about romance force fed to us all since birth *COMING CLEAN* says sex is emotional and physical TNT It's a minefield It's a mess And it's funny **Coming Clean** Jorge L. Valdés, Ken Abraham, 2008-05-13 I was a walking bankroll wearing 150 000 worth of jewelry and carrying as much as 40 000 cash in my pockets Yet my friends asked how are you doing I'd sometimes reply miserable I hate every second of my life and I do not know why Jorge Valdes All his dreams for wealth and power came true Then the nightmare began As a young man in his twenties with an insatiable thirst for money and power Jorge Valdes worked his way up inside Colombia's powerful Medellin drug cartel His key position as head of U S Operations brought him into direct contact with presidents generals Hollywood celebrities hired killers and kidnappers This Cuban immigrant raised in poverty was living the high life in more ways than

one His deeds took him from the lap of luxury to the depths of prison and back again Then an incredible thing happened Jorge Valdes encountered a person much more powerful than the strongest drug lord someone who offered something more satisfying than women drugs money prestige and power Reading more like a fast paced novel of intrigue than a traditional biography coming clean the true story of a cocaine drug lord and his unexpected encounter offers an insider s view of the drug industry and the greed that drives it Told that he would never be anything but a twice convicted drug dealer today dr Jorge l Valdes who holds a master degree from Wheaton college and a PhD In new testament studies from Loyola University in Chicago is a renowned national speaker who brings a message of hope forgiveness and the power to change He has been featured in numerous magazine covers and appeared in many national and international television and radio programs
