Changing Shape Collected Poems:

Marian Poem-Prayers in the Modern Age Jean Ward, 2025-10-16 This book explores a range of twentieth and twenty first century poem prayers directed to or involving Mary In readings of works by T S Eliot David Jones Geoffrey Hill Elizabeth Jennings Hilary Davies Rowan Williams and others Ward traces the resurgence of interest in Mary from the late nineteenth century to the present day By the early twentieth century the once widespread and fervent cult of the Virgin Mary had for more than three hundred years been largely absent from England s religious life Similarly the figure of Mary had almost vanished from English poetry only to return gradually as Marian devotion began to revive in the nineteenth century The perception of this devotion as somehow un English dominant since the Reformation presented a challenge to poets engaged with the Marian theme in the modern day *Marian Poem Prayers in the Modern Age* examines how male and female poets from both Roman Catholic and Anglican backgrounds responded to this situation The book also argues that the figure of Mary is a type of John Henry Newman s category of real assent commitment that is not merely intellectual but involves the totality of a person s being in relation to God

Haunted by Christ Richard Harries, 2018-09-20 W H Auden T S Eliot William Golding Elizabeth Jennings C S Lewis Flannery O Connor Stevie Smith These are some of the great poets and novelists whose struggles with faith find expression in their works and who demonstrate the fascinatingly different forms that faith can take in different times and places Richard Harries considers the work of twenty of these writers painting vivid pictures of their lives and times He also provides numerous critically sympathetic insights into the spiritual dimension of their writings The result is a book for readers of all religious persuasions especially those who are fascinated by the ways in which faith is refracted through the lens of great poetry and fiction Also by Richard Harries *The Beauty and the Horror* SPCK 2016 A major new defence of Christianity that does not flinch from asking difficult questions about the kind of God who could have created our world *The Bookseller* A heartening book confronting the hardest questions with wide knowledge and deep wisdom John Carey Chief Literary Reviewer Sunday Times An eloquent honest and engaging case for Christian faith *The Tablet* A deeply interesting book Mary Warnock

A Critical Reading of the Selected Poems of T.S. Eliot Manju Jain, 1991 T S Eliot s poetry is well known for its allusiveness and reference to a wide range of historical and literary subjects At the same time the roots of explanations and critical readings necessary to elucidate and contextualize Eliot s poetry have seldom been available This book offers a carefully explanatory as well as critical reading of Eliot s *Selected Poems* It tackles each poem individually offering comments and explanations that draw from secondary as well as archival and unpublished sources In particular there is an exhaustive section explaining and contextualizing the manifold difficulties encountered in *The Waste Land* A long Introduction outlines Eliot s life career and thought and a *Select Bibliography* provides up to date information on useful secondary literature Dr Jain s use of various new critical approaches

alongside her use of primary data from Eliot holdings in the UK and the USA makes this an important source for comprehending Eliot's difficult poetry. It will be of great use to students as well as to people who teach the poetry of T S Eliot.
