found Dakota Mitchell He had never had his heart handed back to him in pieces either That was before he met Dakota too It hadn't started out that way Dakota was a bright and sunny young lady when they first met She was a little naive and her ex-cop sister sometimes embarrassed her with the way she talked Then she followed her own dream into Forensic Science landing a job with the Las Vegas Police Department Maybe that's when she changed Nobody really understood Neither did Dakota As Casey headed down to Las Vegas to pick Dakota up for the weekend none of them had any idea of the dangerous and trying times that were headed right for him Dakota was just one of them
