Excerpt from *Caste* An Original Comedy in Three Acts Mindful of the stern decrees of Caste D Alroy has tried to dispel his infatuation by various means but to no purpose finally he turns for advice to his friend Captain Hawtree who being a man of the world counsels anything but marriage in view of the social gulf between the lovers and subsequently runs afoul of Mr Sam Gerridge Polly s sweetheart and something in the mechanical line But in spite of their difference in station in spite of the dictates of reason in spite of the world D Alroy declares himself to Esther and is accepted Six months later finds the pair happily married and quartered in lodgings without the knowledge of D Alroy smother the Marquise of St Maur whom he has not informed of his marriage fearing to incur her displeasure Meanwhile D Alroy has been ordered off to India on active service with his regiment but can not bring himself to break the news to his wife While devising some means of disclosing the unwelcome tidings he is surprised by a visit from his mother who comes to bid him adieu and urge him to distinguish himself as becomes his birth and position Esther overhears this conversation from an adjoining room and is overwhelmed at the prospect of her husbands departure This precipitates the truth about D Alroy s mesalliance to the horror of the Marquise whose disgust is heightened by the appearance of Polly Sam and old Eccles each of whom is presented in turn and the high born lady expresses her contempt in no uncertain terms The time for departure having arrived D Alroy goes off with Hawtree after comforting his wife as best he can and leaving suitable provision for her maintenance during his absence One year after Esther with her child is back in her old home her husband reported captured and killed by the Sepoys and her money squandered by old Eccles Too proud to appeal to the Marquise for aid though urged so to do by Hawtree who has returned and proved his friendship in many ways she is stung by insulting offers of charity from her husbands mother who has learned of her situation through a begging letter privately sent by Eccles While at supper Polly Sam and Hawtree are thunderstruck at the apparition of D Alroy the report of whose death proves untrue The joyful news is broken gently to Esther and an affecting reunion ensues between husband and wife The Marquise overjoyed at her son s restoration becomes willingly reconciled to her new daughter Eccles is comfortably disposed of by Hawtree whose fiancée has jilted him for a man of higher rank Polly and Sam purchase the fixtures and good will of the late Binks plumber and a climax of happiness is reached despite the inexorable laws of Caste

alive and relevant Punching Up in Stand-Up Comedy Rashi Bhargava, Richa Chilana, 2022-12-30 Punching Up in Stand Up Comedy explores the new forms, voices and venues of stand up comedy in different parts of the world and its potential role as a counterhegemonic tool for satire, commentary and expression of identity especially for the disempowered or marginalised. The title brings together essays and perspectives on stand up and satire from different cultural and political contexts across the world which raise pertinent issues regarding its role in contemporary times especially with the increased presence of OTT platforms and internet penetration that allows for easy access to this art form. It examines the theoretical understanding of the different aspects of the humour, aesthetics and politics of stand up comedy as well as the exploration of race, gender, politics and conflicts, urban culture and LGBTQ identities in countries such as Indonesia, Finland, France, Iran, Italy, Morocco, India and the USA. It also asks the question whether, along with contesting and destabilising existing discursive frameworks and identities, a stand up comic can open up a space for envisaging a new social, cultural and political order. This book will appeal to people interested in performance studies, media, popular culture, digital culture, sociology, digital sociology and anthropology and English literature.
