Analyses the theme of laziness in twentieth century American LiteratureUncovers the ethical dimension of the writing of Stein Hemingway Barth Barthelme and Wallace by situating them in the context of the 20th century non normative ethical and aesthetic traditionShows how the Romantic interest in laziness plays out through the modernist and postmodernist moments in 20th century American literatureOffers an innovative model of ethical reading based on the concept of unproductivity as an alternative to the dominant post Romantic trends in the field of ethical criticismPresents the first comprehensive study of laziness as a theoretical concept which draws on a range of religious and philosophical references points spanning John Locke Immanuel Kant Martin Heidegger Emmanuel Levinas Theodor Adorno Roland Barthes Gilles Deleuze Michel Foucault Giorgio Agamben and Catherine MalabouThe Labour of Laziness in Twentieth Century American Literature focuses on the issue of productivity using the figure of laziness to negotiate the relation between the ethical and the aesthetic This book argues that major twentieth century American writers such as Gertrude Stein Ernest Hemingway John Barth Donald Barthelme and David Foster Wallace provocatively challenge the ethos of productivity by filtering their ethical interventions through culturally stigmatised imagery of laziness Ladyga argues that when the motif of laziness appears it invariably reveals the underpinnings of an emerging value system at a given historical moment while at the same time offering a glimpse into the strategies of rebelling against the status quo     The Teacher's Journal ,1909     Which are Hamlet's 'dozen Or Sixteen Lines'? **Outlook and Independent** ,1920      *Outlook* Alfred Emanuel Smith,Francis Walton,1920      [The Complete Works of Oscar Wilde](#) Oscar Wilde,2000 This volume presents for the first time the complete textual history of one of the most famous love letters ever written Addressed to Wilde s lover Lord Alfred Douglas and composed in Reading Gaol it was later given the title *De Profundis* by Wilde s friend and literary executor Robert Ross It was Ross s severely abridged and sanitized version published in 1905 and again 1908 which inaugurated the tradition of seeing *De Profundis* as the *apologia pro sua vita* of a

broken man This edition takes account of this complex heritage by arguing that Wilde's prison document may be seen not just as the basis of a letter a typed copy of which may have been sent to Douglas but also as an unfinished literary work which he intended for public consumption at some future date Such a case is made by placing in the public domain often for the first time a number of different works derived from different texts each of which bears witness to Wilde's multiple intentions for his prison document These texts comprise the manuscript held in the British Library the version of Wilde's letter published by his son Vyvyan Holland from a typescript bequeathed to him by Robert Ross hitherto unpublished witnesses to that typescript and Ross's editions collated with each other The commentary to this edition again for the first time sets Wilde's story of his own life in *De Profundis* against the testimony of other players in his drama including most importantly that of Douglas In so doing it exposes the partial nature of Wilde's narrative as well as the personal obsessions which animated it The commentary also demonstrates a hitherto unnoticed element of Wilde's work the extent and nature of its richly layered intertextuality and its similarity in its compositional practices to many of his earlier works
