**Children and Youth in the Catechumenate** Anne Koester, 2021-09-15 What does conversion look like for children and youth How do we teach them that conversion is a way of life that requires daily commitment These questions are even more pressing today than they were in 1988 when the Rite of Christian Initiation of Adults with adaptations for children was issued In *Children and Youth in the Catechumenate* Anne Koester shows catechumenate ministers how to immerse young seekers into an apprenticeship in Christian life By using the liturgy of the church and the liturgy of life she demonstrates the four integral dimensions of Christian discipleship that form young believers for mission [The Rites of Christian Initiation](#) Maxwell E. Johnson, 2007 Originally published in 1999 *The Rites of Christian Initiation* was hailed for its clarity and comprehensiveness Kieran McDonnell OSB called it the best overall treatment of Christian initiation available and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West It is sure to replace itself as the new standard reference on the rites of Christian initiation Maxwell E Johnson's expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church including two chapters that explore the pre Nicene Eastern and Western traditions in detail Revisiting the theology of baptism this edition also provides more nuanced positions on the Eastern and Western traditions Finally recent liturgical developments in

American Protestant churches particularly Lutheran as well as the ongoing development of the RCIA and confirmation practices of Catholics made it necessary to revisit the place and meaning of these rites in the church today Maxwell E Johnson PhD is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America He has published in *Worship* and is the editor of and contributor to *Living Water Sealing Spirit Readings on Christian Initiation Liturgical Press 1995* and the revised and expanded edition of *E C Whitaker Documents of the Baptismal Liturgy Liturgical Press and S P C K 2003* to which this study serves as a companion volume
