Catch As Catch Can:

The 1908 Olympic Games Bill Mallon,Ian Buchanan,2009-03-10 The 1908 Olympic Games were controversial There was almost constant bickering among the American team and the British officials Because of the controversies the 1908 Olympics have been termed The Battle of Shepherd s Bush referring to the site of the Olympic Stadium Reports of the 1908 Olympics have been rare and do not for instance contain full results for archery track and field athletics football soccer gymnastics motorboating and shooting A great deal of new information has been discovered by the authors and this work gives complete results for all events The information presented is based primarily on 1908 sources For the first time definitive word on the sites dates events competitors and nations as well as the event results are available for all of the 1908 Olympic events including boxing cycling diving fencing field hockey lacrosse polo raquets swimming lawn tennis tug of war weightlifting wrestling and yachting among other sports A series of appendices include rarely seen information about the many controversies surrounding the Games

Pioneers of Professional Wrestling Tim Corvin,2014 This historic collection explores the origins of mixed martial arts and professional wrestling in the United States and features profiles of more than 30 mat stars of the era wrestling in art over 100 antique photos and more There is perhaps no sport more primitive or more widely dispersed than wrestling In its early days many of the pros were Civil War soldiers who wrestled in camps while others were lumberjacks miners and railroad men In Pioneers of Professional Wrestling author Tim Corvin takes a look at how mixed martial arts and today s professional wrestling began He provides insight into this competitive hand to hand combat sport from 1860 through 1899 by delving into the sport s history discussing the evolution of professional wrestling describing the various wrestling styles and offering biographies of the sports pioneers A reference guide on the origins of mixed martial arts and professional wrestling This book contains detailed listings of all available match results newspaper clippings tobacco cards lithographs and many fun facts such as Abraham Lincoln was one of the American frontier s fiercest grapplers William Muldoon and Clarence Whistler wrestled to a 7 hour draw Farmer Burns had such a strong neck that he could drop six feet on a hangman s noose to no effect then whistle Yankee Doodle while hanging Evan Strangler Lewis was the dirtiest wrestler in the game and often maimed his opponents The Terrible Turk was so violent he caused riots

The 1920 Olympic Games Bill Mallon,Anthony Th. Bijkerk,2009-03-10 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if any additional information Very few copies were ever produced and those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available In virtually all cases a 1920 source has been used in preference to a more modern source of information and all details have been fully

researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world
