**The Satiric Art of Oliver W. Harrington**

Edited, with an introduction, by M. Thomas Inge

# Dark Laughter

**Sherwood Anderson**

## Dark Laughter:

**Dark Laughter** Sherwood Anderson, 2016-11-29 Scritto nel 1925 il romanzo *Dark Laughter* una piccola Odissea moderna. Le pianure del Middle West, i grandi fiumi, le città dure fanno da sfondo alle vicende del protagonista John Stockton, un uomo in fuga dalle convenzioni e dalle finzioni sociali e alla ricerca di un nuovo sé. In un mondo sospeso tra reale e possibile, tra presente e infanzia, tra biografia e storia, si agita una costellazione di personaggi irrisolti, di figure simboliche. La tensione espressiva del linguaggio, il bisogno di una maggiore aderenza alla vita, l'urgenza di amare, di risolvere il mito dell'infanzia e di dare infine un senso al proprio esistere sono alcuni dei temi che percorrono un romanzo fatto di grande intensità scritto con un linguaggio moderno, asciutto ed essenziale.

**Dark Laughter** Sherwood Anderson, 1960 [Dark Laughter](#) Sherwood Anderson, 1925 Novel about the new sexual freedom of the 1920s *Dark Laughter* Sherwood Anderson, 2021-08-03 *Dark Laughter* 1925 is a novel by Sherwood Anderson. Inspired by his own decision to abandon his family and career in order to establish himself as a professional writer, Anderson explores the guilts, routines, desires, and disappointments driving the lives of many Americans in the early twentieth century. Although he is known today for his story collection *Winesburg, Ohio*, a pioneering work of Modernist fiction admired for its plain-spoken language and psychological detail, Anderson's *Dark Laughter* was his only bestseller. Inspired by the stream-of-consciousness style of James Joyce's *Ulysses*, Anderson produced a novel that remains controversial for its depictions of race, class, and sexuality. Bruce Dudley stood near a window that was covered with flecks of paint and through which could be faintly seen first a pile of empty boxes, then a more or less littered factory yard running down to a steep bluff and beyond the brown waters of the Ohio River. Bruce, a factory worker in Old Harbor, Indiana, is your average working man. He lives a simple life, keeps a low profile, spends his money at the bar with his friends, and tries not to get fired. As far as anyone knows, there is nothing special about him whatsoever; he is a drifter who found his way to Old Harbor by chance and settled down to make himself some money. But Bruce was born in Old Harbor, raised on its streets, and educated in its schools; he lived most of his life by another name, John Stockton, an Indiana native turned Chicago reporter. Married with kids, he was happy as far as anyone could tell. Up until the day he left, he was still John Stockton, but the change that came over him late in life was too great to resist. He needed a new name, a new life. He wanted to start over in the place where he began. When an opportunity comes to work as a gardener for the factory owner's wife, Bruce soon finds it impossible to resist her brazen advances. *Dark Laughter* is a tale of guilt, identity, and shame from master storyteller Sherwood Anderson. With a beautifully designed cover and professionally typeset manuscript, this edition of Sherwood Anderson's *Dark Laughter* is a classic of American literature reimagined for modern readers.

*Dark Laughter* Juan F. Egea, 2013 In *Dark Laughter* Juan F. Egea provides a remarkable in-depth analysis of the dark comedy film genre in Spain, as well as a provocative critical engagement with the idea of national cinema, the visual dimension of cultural specificity, and the ethics of dark humor. Egea begins his analysis with General Franco's dictatorship in the 1960s, a regime

that opened the country to new economic forces while maintaining its repressive nature exploring key works by Luis Garcia Berlanga Marco Ferreri Fernando Fern n G mez and Luis Bu uel Dark Laughter then moves to the first films of Pedro Almod var in the early 1980s during the Spanish political transition to democracy before examining Alex de la Iglesia and the new dark comedies of the 1990s Analyzing this younger generation of filmmakers Egea traces dark comedy to Spain s displays of ultramodernity such as the Universal Exposition in Seville and the Barcelona Olympic Games At its core Dark Laughter is a substantial inquiry into the epistemology of comedy the intricacies of visual modernity and the relationship between cinema and a wider framework of representational practices
