

Ad Reinhardt

Ad Reinhardt

Ad Reinhardt:

Art as Art Ad Reinhardt, 1991-06-06 Ad Reinhardt is probably best known for his black paintings which aroused as much controversy as admiration in the American art world when they were first exhibited in the 1950s Although his ideas about art and life were often at odds with those of his contemporaries they prefigured the ascendance of minimalism Reinhardt's interest in the Orient and in religion his strong convictions about the value of abstraction and his disgust with the commercialism of the art world are as fresh and valid today as they were when he first expressed them **Ad Reinhardt: Paintings** Jewish Museum (New York, N.Y.), Lucy R. Lippard, 1966 **Ad Reinhardt, 1960** Ad Reinhardt, 1960 *Ad Reinhardt* Ad Reinhardt, Josef-Albers-Museum, 2011 The paintings of the American artist Ad Reinhardt were from the start defined by their clear geometrical forms Reinhardt who before his training as a painter had received a degree in art history rejected any kind of fusion between art and life or any mystification of painting Around 1953 he did his first black paintings in which every tendency to colour seemed to fade From 1960 his paintings were all only black which he himself described as the last paintings that anyone can paint The encounter between Ad Reinhardt and Josef Albers in 1952 1953 and their ensuing dialogues on the meaning of colour within the painting process were For The young Reinhardt an important impulse on his path towards his black paintings Presented in this book is his oeuvre from the end of the 1930s To The late works their special relevance can be recognised in juxtaposition with the works of Josef Albers Ad Reinhardt Marlborough Gallery, Ad Reinhardt, 1974 Ad Reinhardt Ad Reinhardt, 1999 February 16 March 13 1999 *Ad Reinhardt, Seventeen Works* Ad Reinhardt, Jane Livingston, 1984 *Ad Reinhardt* Ad Reinhardt, 1991 American Art of the 1960s John Elderfield, 1991 Essays discuss Ad Reinhardt Jasper Johns J M W Turner Jim Dine minimalism Robert Venturi and Elia Kazan's Wild River Ad Reinhardt Michael Corris, 2008-03-15 Michael Corris examines Ad Reinhardt's life and work charting the development of his entire oeuvre from abstract paintings to graphic artwork to illustrations and cartoons **Ad Reinhardt: Black Paintings, 1951-1967** Ad Reinhardt, 1970 Modern Art Museum of Fort Worth 110 Modern Art Museum of Fort Worth, Michael Auping, 2002 Together they present a broad range of styles and media from oil acrylic and mixed media paintings and drawings to photography sculpture installation art and video and digital imagery *Ad Reinhardt* Ad Reinhardt, Marlborough Gallery, 1970 Materiality and The Afterlife of Artworks Gabriel Cabello, Thierry Dufrêne, Rocío Robles Tardío, 2026-03-03 Materiality and The Afterlife of Artworks The Rustle of Matter explores theoretically through a series of case studies how matter and materials have a role in the afterlife of artworks Focusing on modern and contemporary art this book asks several related questions How does matter affect the afterlife of works of art and images How are contemporary artists taking afterlife materials as part of their practice And what role does the pair play in transforming centre periphery relations Through a range of contributions this book describes how the History of Art has enlarged its scope through the incidence of both the iconic turn and the material turn giving an overview of how the notion of

afterlife has been increasingly changing art historical studies and of how this fact is articulated with the growing attention paid to matter and when matter is considered in relation to a technique to materials It offers both an account of the state of things in the theoretical historiographical discussion and a set of case studies ranging from Picasso s Guernica or Torres Garc a s murals to the works of Ad Reinhardt or Ana Lupa s as well as more recent practices by artists such as Gala Porras Kim or Pierre Huyghe This book is suitable for students and researchers in History of Art Visual Studies Memory Studies and Philosophy

Monochrome Craig Staff, 2015-09-17 The monochrome a single colour of paint applied over the entirety of a canvas remains one of the more contentious modernist artistic inventions But whilst the manufacture of these pictures of nothing was ostensibly straightforward their subsequent theorisation has been anything but More than a history Monochrome Darkness and Light in Contemporary Art is the first account of the monochrome s lively role in contemporary art Liberated from the burden of representation the monochrome first stood for emancipation an ideological and artistic impulse that characterised the avant garde of the early twentieth century Historically the monochrome embodied the most extreme form of abstraction and pure materiality Yet more recently adaptations of the art form have focused on a broader range of cultural and interpretive contexts Provocative innovative and timely this book argues that the latest artistic strategies go beyond stylistic concerns and instead seek to re engage with ideas around authorship process and the conditions of the visible as they are given and understood through both light and darkness Discussing works by artists such as Katie Paterson Hiroshi Sugimoto Tom Friedman Bruno Jakob Sherrie Levine and Ceal Floyer the book shows that the debates around an artwork s form and its possibility for meaning that the monochrome first engendered remain very much alive in contemporary visual culture

Harold Rosenberg Debra Bricker Balken, 2021-10-06 The biography recounts Rosenberg s full story for the first time Art critic for The New Yorker from 1962 until 1978 Rosenberg together with Clement Greenberg radically reshaped the interpretation of art in the post World War II period by promoting and examining abstract expression But Rosenberg was also a social and literary critic writing about art was just one aspect of his work Harold Rosenberg A Critic s Life weaves together Rosenberg s life and literary production cast against the dynamic intellectual and social ferment of his time Rosenberg s mid century linking of the New York School with the art establishment together with his observations on the commodification of the artwork and the evisceration of the self in favor of celebrity especially in his often cited essay The Herd of Independent Minds make this book especially topical

Smile of the Buddha Jacquelynn Baas, 2005 The relations between eastern and western cultures have long been a neglected topic and this careful and intelligent look at a small but significant part of those relations is most welcome Thomas McEvelley author of The Shape of Ancient Thought How wonderful that Jacquelynn Baas has seen the light of the Buddha s smile shining from faraway Asia into the realm of the art of modern times in what we think of as the West Her work reveals how some of our most influential artists explored and expressed the sophisticated perceptions and joyful energy emanating from the realm of Buddhist Asia

Robert A F Thurman As a Buddhist scholar and artist I welcome this thoughtful and richly detailed study of how many aspects of Buddhism have stimulated invigorated and enriched Western arts over the past 150 years Stephen Addiss author of The Art of Zen A crucial contribution to modern art studies this high spirited text surveys Western artists awakened by the wisdom of the East from Monet and Duchamp to O Keeffe to Martin It is a thoughtful book about thoughtful artists their values and their visions with a lot to offer general readers and specialists alike Charles Stuckey Associate Professor of Art History at the School of the Art Institute of Chicago Ad Reinhardt Terry R. Meyers,2007 Barnett Newman Amy Newman,2025-10-28 The first major biography of Barnett Newman one of the most important and influential artists of the twentieth century **Ad Reinhardt** ,1963
