A Blind Gamble Void S,2026-03-07 In our six years of marriage you never named me Luna You gave me nothing other than the position I maintained from when we built this company My affair is my business Your job is to shut up and obey your husband Rune spat with a nonchalant look No I m not built like that I replied softly I can t be your slave Rune My love for you made me a fool once but no more Where do you think you are going It s one thing to build but it s another to have your people by your side You are an Omega A rat The document on your table is our divorce papers Sign it and have it sent to the Salvatore s mansion in Echo City She was the humble wife of the Alpha and also the mysterious rival who bankrupted him when the scumbag took her job with his mistress she threw out a divorce agreement Sorry this company is mine and my father is the richest man in the world After divorcing her unfaithful husband billionaire Silver seeks solace by returning to her home pack hoping to start fresh and reconnect with her roots but home is not what it used to be Her father s legacy has left behind a tangled mess of debts secrets and enemies lurking in the shadows Caught in the storm Silver is drawn to the pack s new young Alpha a man wrapped in mystery danger and an intensity that unsettles her heart Their paths collide in ways neither of them expected forcing Silver to face not only the darkness in her family s past but also the forbidden spark threatening to shape her future Now she must decide will she fight the chaos consuming her world or surrender to a desire that could destroy everything
