

# The Alpha and Omega: Beginning and End

*By Pastor Bob Joyce*

I love the changing of the seasons. It reminds me of the wonderful creativity of God. The winter months are just around the corner, and soon, snowflakes will be falling, adorning the trees and houses like frosting on gingerbread.

Did you know that scientists say every snowflake is created differently? There are untold billions of snowflakes, and experts believe every one of them is unique. Not long ago, my wife and I were marveling over how humans are the same way. There have been billions of humans throughout history, yet God created each of us with our own looks, personality, and talents.

The amazing creative power of God—the imagination, will, and ability to create billions of human beings, and every one of them is different. That's amazing, isn't it?

And the plants, animals, sea creatures, tiny insects, and stars and planets. Think of it! With all the billions and trillions of untold planets and galaxies, God created the surface of every single one.

But of all the beautiful, wondrous, and majestic creations of God, His crowning achievement is man, made in His own image and likeness, a man to rule and have authority over creation.

Even after sin corrupted our flesh, God worked all things together for our good (Romans 8:28). Because mankind fell, now we can know God's redemption. Unlike the angels, we know what it's like to be lost and found again, to be blind and then to see, to be dead and brought back to life.

It's God's perfect plan—to conform us to the image of His Son.
