## **Already Awake:**

**Being** Nathan Gill, 2006-03-21 Spiritual dialogues usually aim to guide the seeker towards enlightenment towards escape from identification as a suffering individual In Being The Bottom Line however Nathan Gill points out that enlightenment only appears significant from the viewpoint of me it s only the story of me that requires enlightenment Your true nature is Being and Being is already all that is even when there is seeming ignorance of that with no requirements whatsoever **The Gift of Beauty and the Passion of Being** William Desmond, 2018-07-06 This book gathers a set of reflections on the gift of beauty and the passion of being There is something surprising about beauty that we receive and that moves the passion of being in us The book takes issue with an ambiguous attitude to beauty among some who proclaim their advanced aesthetic authenticity Beauty seems bland and lacks the more visceral thrill of the ugly indeed the excremental We crave what disrupts and provokes us not what gives delight or even consoles By contrast attention is given to how beauty arouses enigmatic joy in us and we enjoy an elemental rapport with it as other Surprised by beauty our breath is taken away but we are more truly there with the beautiful when we are taken outside of ourselves We are first receivers of the gift of surprise and only then perceivers and conceivers My attention to the passion of being stresses a patience a receptivity to what is other What happens is not first our construction There is something given something awakening something delighting something energizing something of invitation to transcendence The theme is amplified in diverse reflections on life and its transient beauty on soul music and its relation to self on the shine on things given in creation on beauty and Schopenhauer s dark origin on creativity and the dynamis in Paul Weiss s creative ventures on redemption in Romanticism in the thought of Stanley Cavell on theater as a between or metaxu on redeeming laughter and its connection with the passion of being

**The Fundamental Concepts of Metaphysics** Martin Heidegger, 1996-01-22 an important addition to the translations of Heidegger s lecture courses Heidegger s voice can be heard with few of the jolting Germanicisms with which so many translations of Heidegger s texts have been burdened International Philosophical Quarterly The translators of these lectures have succeeded splendidly in giving readers an intimation of the tensely insistent tone of the original German Heidegger s concern with a linguistic preconsciousness and with our entrancement before the enigma of existence remains intensely contemporary Choice There is much that is new and valuable in this book and McNeill and Walker s faithful translation makes it very accessible Review of Metaphysics Whoever thought that Heidegger has no surprises left in him had better read this volume If its rhetoric is hard and heavy its thought is even harder and essentially more daring than Heideggerians ever imagined Heidegger could be David Farrell Krell First published in German in 1938 as volume 29 30 of Heidegger s collected works The Fundamental Concepts of Metaphysics includes an extended treatment of the history of metaphysics and an elaboration of a philosophy of life and nature Heidegger s concepts of organism animal behavior and environment are uniquely developed and defined with intensity This work the text of Martin Heidegger s lecture course of 1929 30 is crucial

for an understanding of Heidegger's transition from the major work of his early years *Being and Time* to his later preoccupations with language, truth, and history. First published in German in 1983 as volume 29-30 of Heidegger's collected works, *The Fundamental Concepts of Metaphysics* includes an extended treatment of the history of metaphysics and an elaboration of a philosophy of life and nature. Heidegger's concepts of organism, animal behavior, and environment are uniquely developed and defined with intensity.

Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Already Awake : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Already Awake : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
