The implementation and adherence to evidence-based protocols for psychotherapy for depression: the perspective of therapists in Dutch specialized mental healthcare

Sanne J. E. Brujinika^{1*}, Gerdien Franx² and Marcus J. H. Huibers^{1,2}

Abstract

Background: Although psychotherapy is an effective treatment for depression, a large number of patients still do not receive care according to the protocols that are used in clinical trials. Instead, patients often receive a modified version of the original intervention. It is not clear how and when treatment protocols are used or modified in the Dutch specialized mental health care and whether these changes lead to suboptimal adherence to treatment protocols.

Methods: In the context of an ongoing multicenter trial that investigates whether twice-weekly sessions of protocolized interpersonal psychotherapy (IPT) and cognitive behavioral therapy (CBT) for depression lead to better treatment outcomes compared to once-weekly sessions, two focus groups using semi-structured interviews were organized. Aims were to increase insight in the adherence to and modifications of CBT and IPT protocols in the Dutch specialized mental health care for depression. Participants were fifteen therapists from seven mental health locations, part of five mental health organizations. Verbatim transcripts were coded and analyzed using qualitative software.

Results: Three themes emerged: modification as the common practice, professional and patient factors influencing the adherence to protocols and organizational boundaries and flexibility. Treatment modification appeared to happen on a frequent basis, even in the context of a trial. Definitions of treatment modifications were multiple and varied from using intuition to flexible use of the same protocol. Therapist training and supervision, the years of work experience and individual characteristics of the therapist and the patient were mentioned to influence the adherence to protocols. Modifications of the therapists depended very much on the culture within the mental health locations, who differed in terms of the flexibility offered to therapists to choose and modify treatment protocols.

Conclusions: Not all treatment modifications were in line with existing evidence or guidelines. Regular supervision, team meetings and a shared vision were identified as crucial factors to increase adherence to treatment protocols, whereas additional organizational factors, among which a change of mindset, may facilitate adequate implementation.

Keywords: Cognitive-behavioral therapy, Interpersonal psychotherapy, Psychotherapy, Implementation, Protocol adherence, Specialized mental healthcare, Depression

Derek S. King

Attention First:

Theological Attention Derek S. King, 2025-11-20 What is attention How do we use it And why does it matter In an age of distraction in which we feel overrun by attention diverting devices these questions are as important as ever While scientists and philosophers have explored these questions in part theologians have largely ignored them Despite this the Christian theological tradition contains many rich resources for pursuing answers to these questions Theological Attention attempts to mine resources from this tradition and psychology and philosophy to answer them In the first part of the book Theological Attention explores what attention is Though the aim is to develop a fresh way of thinking about our attention called theological attention it considers basic attention defined in conversation with psychology and philosophy and virtuous attention defined in conversation with moral philosophy The focus remains however on theological attention which foregrounds God and his relationship to us in how we conceive of attention In the second part the book considers the role of theological attention and spiritual formation When we reorient our thinking about attention around God and how God relates to us we see too that attention is crucial for our spiritual formation How we attend determines how we are formed

Attention Pays Neen James, 2018-03-20 Drive profitability productivity and accountability To create extraordinary lives we must learn to unplug from the constant barrage of disruptions and plug in to the tools strategies and mindsets that allow us to harness our attention to reach our highest potential and this book shows you how Attention Pays spotlights on the power of attention and absolute focus Personally WHO we pay attention to Professionally WHAT we pay attention to And Globally HOW we pay attention in the world and to the world In an on demand 24 7 society where distractions cost millions of people productivity profitability relationships and peace it s time to pay attention to what matters most Includes powerful tips and tricks increase profitability Shows you how to achieve maximum accountability and results Provides strategies to help you productively manage daily tasks Offers guidance on improving your daily attention and focus If you re ready drive profitably increase productivity and boost accountability it s time to tune out the noise focus on what really matters and learn how Attention Pays

The Rand McNally Bankers' Monthly ,1908 *Bossa Mundo* K. E. Goldschmitt, 2020 Brazilian music has been central to Brazil s national brand in the U S and U K since the early 1960s From bossa nova in 1960s jazz and film through the 1970s fusion and funk scenes the world music boom of the late 1980s and the bossa nova remix revival at the turn of the millennium and on to Brazilian musical distribution and branding in the streaming music era *Bossa Mundo Brazilian Music in Transnational Media Industries* focuses on watershed moments of musical breakthrough exploring what the music may have represented in a particular historical moment alongside its deeper cultural impact Through a discussion of the political meaning of mass mediated music author K E Goldschmitt argues for a shift in scholarly focus from viewing music as simply a representation of Otherness to taking into account the broader media environment where listeners and intermediaries often have conflicting priorities Goldschmitt demonstrates that the mediation of Brazilian music in an

increasingly crowded transnational marketplace has lasting consequences for the creative output celebrated by Brazil Like other culturally rich countries in Latin America such as Cuba Mexico and Argentina Brazil has captured the imagination of people in many parts of the world through its music driving tourism and international financial investment while increasing the country s prominence on the world stage Nevertheless stereotypes of Brazilian music persist especially those that valorize racial difference Featuring interviews with key figures in the transnational circulation of Brazilian music and in depth discussions of well known Brazilian musicians alongside artists who redefine what it means to be a Brazilian musician in the twenty first century Bossa Mundo shows the pernicious effects of branding racial diversity on musicians and audiences alike

Infant Perception and Cognition Lisa Oakes,Cara Cashon,Marianella Casasola,David Rakison,2010-10-14 In this book Lisa Oakes Cara Cashon Marianella Casasola and David Rakison bring together the recent findings and theories about the origins and early development of the information processing mind and provide insight into the future directions in the study of infant perception and cognition

Computer Vision - ECCV 2020 Workshops Adrien Bartoli,Andrea Fusiello,2021-01-29 The 6 volume set comprising the LNCS books 12535 until 12540 constitutes the refereed proceedings of 28 out of the 45 workshops held at the 16th European Conference on Computer Vision ECCV 2020 The conference was planned to take place in Glasgow UK during August 23 28 2020 but changed to a virtual format due to the COVID 19 pandemic The 249 full papers 18 short papers and 21 further contributions included in the workshop proceedings were carefully reviewed and selected from a total of 467 submissions The papers deal with diverse computer vision topics Part III includes the Advances in Image Manipulation Workshop and Challenges

The Stoic Wisdom of Epictetus Richard Lawson,2026-01-13 A Clear Practical Way to Read Epictetus Epictetus wrote to train judgment under pressure This book follows that purpose Rather than presenting Stoicism as a philosophy to admire it treats Epictetus as a teacher of discipline someone concerned with how the mind actually functions when outcomes are uncertain emotions rise and control is limited The focus is simple and demanding learning to distinguish what belongs to judgment from what does not and to act consistently from that distinction Inside Epictetus key ideas are organized into clear rules that can be applied in ordinary situations work conflict decision making setbacks without relying on slogans or abstraction Each chapter centers on one mechanism of his teaching judgment impressions assent desire and freedom Every selected passage is followed by

explanation and practical application written to clarify how the rule works in real life The goal is not inspiration but reliability clarity that holds when circumstances do not cooperate In this book you ll explore How judgments not events create disturbance How impressions gain power and how that power can be withheld Why misdirected desire leads to dependence How aligning desire with control restores stability How restraint strengthens action instead of limiting it This is a book for readers who want Stoicism to work not just to sound convincing It is meant to be returned to tested and used especially when pressure makes confusion tempting Epictetus believed freedom was available to anyone willing to train their judgment This book is an invitation to do exactly that

The Top Books of the Year Attention First The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Attention First : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Attention First : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
