**FLEEING PERSECUTION** Henrique Zanin, 2023-11-13 In a world that still persecutes marginalises and discriminates LGBTQI individuals and where asylum seekers and refugees are denied rights and have their basic humanity violated this publication intends to understand the asylum policies the German government develops specifically tailored to the needs of LGBTQI asylum seekers and refugees and whether the literature has addressed the implementation of such policies across the European continent LGBTQI asylum is a rather new field of research Among the European states Germany has been more open to asylum than other states in the continent and has received the world's highest number of asylum seekers between 2010 and 2019 which justifies the interest in researching the asylum policies in place in that state beyond investigating the European scenario in general The research combines theoretical and empirical analyses as well as a systematic literature review in order to create a framework of protection and rights across the European continent States in general still seem to lack social inclusion policies as discrimination homophobia transphobia and xenophobia are generalised social issues that permeates many European states This publication hopes such a summary of European good practices and literature suggestions is taken into consideration by states around the world in order to make sure they are addressing LGBTQI asylum in an appropriate manner that respects individuals personal characteristics and humanity

*Cultura, comunicação e espetáculo* Cláudio Novaes Pinto Coelho, Valdir José de Castro, 2018-04-13 Quando nos ambientes acadêmicos ou na mídia o nome de Guy Debord mencionado normalmente ele associado expresso sociedade do espetáculo geralmente entendida como o inevitável domínio da mídia na

contemporaneidade ou o desejo pretensamente natural que as pessoas têm de aparecer. Escapa a essa visão superficial a articulação feita por ele entre a crítica da sociedade do espetáculo e a crítica do processo de mercantilização das relações sociais promovido pelo capitalismo. Além disso a importância atribuída à cultura para a crítica do espetáculo e da mercantilização quase sempre não é reconhecida. O objetivo do livro *Cultura, comunicação e espetáculo* é analisar as relações entre a cultura e a comunicação dentro do contexto da sociedade do espetáculo. Os capítulos dialogam com os conceitos desenvolvidos por Guy Debord, além de outros autores vinculados à teoria crítica da sociedade e da comunicação. Os textos procuram compreender a articulação entre a produção cultural, os processos comunicacionais e os mecanismos da dominação social, mas também refletem sobre a possibilidade de a cultura questionar a sociedade do espetáculo promovendo formas alternativas de comunicação, seja no espaço virtual, seja no espaço real, especialmente no espaço urbano.

**Gestão Pública No Brasil Contemporâneo** Evelyn Levy, Pedro Anibal Drago, 2005 **Les organisations non gouvernementales en lusophonie** Lusotopie, 2002-01-01. Aудио fi d impossibles missions entre développement durable, aide d'urgence et services aux communautés en quête de statut et de légitimité: la charnière entre l'Etat et les populations, les ONG sont aujourd'hui victimes de leur popularité et de leur montée en puissance. Nationales ou étrangères, ONG de développement d'urgence ou humanitaire, elles sont nombreuses sur la scène des pays en développement. Pourtant, leur rôle et la place qu'elles occupent dans de nombreux domaines de l'action publique les rendent aujourd'hui suspectes de contribuer à l'affaiblissement de l'Etat et de se laisser transformer en instruments du néolibéralisme dominant. Qui en est-il de ce débat en Europe, mais aussi dans les pays de l'aire lusophone: Portugal, Mozambique, Angola? Brasil: o la societat civil est partout, apel·le a se mobilitzar contra la pobresa i les desigualtats creixents o també encara contra la violència i la guerra.
