Basketball My Way:

Expensive Basketball Shea Serrano, 2025-10-28 From the 1 New York Times bestselling author of *The Rap Year Book* and *Basketball and Other Things* a clever and inventive examination of some of basketball's most iconic players moments games and more Everything in basketball is measured Everything in basketball is counted and quantified and computed And yet no matter how expansive the list of various pinpoint specific statistical categories gets some basketball things remain uncountable and unquantifiable Some moments are more poetry than calculation more art than numerical value more feeling than data processing And thus *Expensive Basketball* From the final 196 seconds of Kobe Bryant's playing career to the Sue Bird backpedal from the erosive terror of Tim Duncan to the Larry Bird memory carousel *Expensive Basketball* is an affirmation of feelings It's an affirmation of basketball as virtuosity It's an affirmation of how sometimes you watch a person perform on the basketball court and it feels the same way it does when you lie in the grass at night and stare up at the moon for long enough that you start to think about how incredible it is that you really truly honestly actually exist **Jim**

Boeheim and Syracuse Basketball Donald Staffo, 2018-11-13 For more than forty seasons Jim Boeheim has been one of college basketball's most successful and compelling figures with the second most victories of all time behind only Mike Krzyzewski The Hall of Fame coach has led the Syracuse Orange to five Final Fours including a memorable national championship in 2003 In *Jim Boeheim and Syracuse Basketball In the Zone* Donald Staffo examines the career of the storied SU basketball coach and the elite program that he built Boeheim's accomplishments as well as his considerable charitable work cannot be denied nor can the sanctions that occurred under his watch Both sides are covered in depth the highs and lows that have made Boeheim a legend and Syracuse a basketball power After taking over the program in 1977 a decade after his own playing career at the school Boeheim transformed it into a national power behind such stars as Roosevelt Bouie Pearl Washington Sherman Douglas Rony Seikaly Derrick Coleman Carmelo Anthony and C J Fair Staffo brings to life the wild environment in the old Manley Field House and a packed Carrier Dome All the unforgettable moments are highlighted including the 2003 championship win over Kansas the epic six overtime classic over UConn in the 2009 Big East Tournament and the surprising run to the 2016 Final Four It also analyzes Boeheim from a point counterpoint standpoint as well as the image of the Syracuse basketball program compared to other hoop powers *Jim Boeheim and Syracuse Basketball* is a revealing look at a basketball legend **Basketball My Way** Jerry West, Bill Libby, 1973 Discusses the objectives of basketball and techniques of playing the game

Hoop Dreams Down Under Matt Logue, 2019-07-01 Twenty five home grown Aussie superstars who have taken American basketball by storm Ever since Luc Longley lit up the court as the first Australian to play in the NBA in 1991 Australians have made an indelible impact on the world's best basketball competition Longley's journey from Perth to the NBA alongside Michael Jordan at the Chicago Bulls paved the way for a generation of players to follow in his footsteps *Hoop Dreams Down Under* documents the behind the scenes stories of twenty Australian

men and five women who have played on basketball's greatest stage. From surprise success stories like Matthew Dellavedova to No 1 Draft picks like Ben Simmons and Andrew Bogut and indisputable champions like Lauren Jackson these are compelling success stories of Down Under talent that has made it to the top. Hoop Dreams Down Under is a must read for all passionate basketball fans or anyone with an interest in the power of sport to thrill, inspire and reward.

PRAISE Matt Logue's Hoops Dreams Down Under is a fun read packed with all kinds of things I didn't know including the scope of the Aussie presence in the NBA way more than a footprint. It's a movement and he posts it up with an array of well-told stories. Roland Lazenby, sports writer, collating the achievements of 25 Aussie basketballers in one book makes this a treat. *Townsville Bulletin*. The book makes me proud three-time NBA champion Luc Longley. If you haven't bought one yet go and get one. A great read about Aussie basketball player pathways, legendary WNBA player turned Phoenix and Australian Opals coach Sandy Brondello. Humbled to be included in a book with legends of our game, former NBA player Chris Anstey. It's an honour to have my little place in Australian basketball history. Australian women's basketball pioneer Michele Timms.
