# Biblical Canons

**William Rainey Harper, Ernest DeWitt  
Burton, Shailer Mathews**

## **Biblical Canons:**

**The Biblical Canons** Jean-Marie Auwers, H. J. de Jonge, 2003 This volume contains the Proceedings of the 50th Colloquium Biblicum Lovaniense the 40 contributions written in English French and German focus on the canons of the Old and New Testament as well as those of the Bible as a whole The theme is studied from a variety of historical hermeneutical and biblical theological points of view Several contributions discuss the process that resulted in the canonical status of certain writings or groups of writings in particular such as the Book of Psalms Ezekiel the Wisdom of Ben Sira the Pauline corpus Acts and the gospels *The Biblical Canon* Lee Martin McDonald, 2006-11-01 Selected for inclusion in Preaching magazine's Annual Review of Outstanding Books for Preachers 2006 This is the thoroughly updated and expanded third edition of the successful *The Formation of the Christian Biblical Canon* It represents a fresh attempt to understand some of the many perplexing questions related to the origins and canonicity of the Bible *The Formation of the Biblical Canon: Volume 1* Lee Martin McDonald, 2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In this first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them The second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole **The Formation of the Biblical Canon: Volume 2** Lee Martin McDonald, 2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In the first volume McDonald reexamines issues of canon formation once considered settled and sets the range of

texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them This second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole *The Biblical Canon Lists from Early Christianity* Edmon L. Gallagher,John D. Meade,2017 A volume of texts and translations of canon lists in early Christianity specifically from the first four centuries CE on the grounds that this is the most formative period in the development of the early Christian canon **The Canon of Scripture** F. F.

Bruce,2025-07-03 Winner of two 1990 Christianity Today Awards Readers Choice 1st place theology doctrine and Critics Choice 1st place theology doctrine A 1989 ECPA Gold Medallion Award winner How did the books of the Bible come to be recognized as Holy Scripture Who decided what shape the canon should take What criteria influenced these decisions After nearly nineteen centuries the canon of Scripture remains an issue of debate Protestants Catholics and Orthodox all have slightly differing collections of documents in their Bibles Martin Luther one of the early leaders of the Protestant Reformation questioned the inclusion of the book of James in the canon And many Christians today while confessing the authority of all of Scripture tend to rely on only a few books and particular themes while ignoring the rest Scholars have raised many other questions as well Research into second century Gnostic texts have led some to argue that politics played a significant role in the formation of the Christian canon Assessing the influence of ancient communities and a variety of disputes on the final shaping of the canon call for ongoing study In this significant historical study F F Bruce brings the wisdom of a lifetime of reflection and biblical interpretation to bear on questions and confusion surrounding the Christian canon of Scripture Adept in both Old and New Testament studies he brings a rare comprehensive perspective to the task Though some issues have shifted since the initial publication of this classic book it remains a significant landmark and touchstone for further studies

*Christian Origins and Hellenistic Judaism* Stanley E. Porter,Andrew Pitts,2012-10-23 In *Christian Origins and Hellenistic Judaism* Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco Roman Jewish culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Hellenistic Jewish texts **The Oxford Encyclopedia of the Bible and Gender Studies** Julia M. O'Brien,2014 As the first major encyclopedia of its kind *The Oxford Encyclopedia of the Bible and Gender Studies* OEBGS is the go to source for scholars and students undertaking original research in the field Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is

constructed in the diverse texts cultures and readers that constitute the world of the Bible With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists classicists archaeologists and ancient historians this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible The two volume Encyclopedia contains more than 160 entries ranging in length from 1 000 to 10 000 words Each entry includes bibliographic references and suggestions for further reading as well as a topical outline and index to aid in research The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible

Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock, 1881 *Exploring the Origins of the Bible (Acadia Studies in Bible and Theology)* Craig A. Evans, Emanuel Tov, 2008-10-01 How did the Bible we have come to be What do biblical scholars mean when they talk about canon the Septuagint the Apocrypha or the Masoretic Text All this biblical study is interesting but does it really matter Leading international scholars explain that it does This thought provoking and cutting edge collection will help you go deeper in your understanding of the biblical writings how those writings became canonical Scripture and why canon matters Beginning with an explanation of the different versions of the Hebrew Bible scholars in different areas of expertise explore the complexities and issues related to the Old and New Testament canons why different Jewish and Christian communities have different collections and the importance of canon to theology

*The New Testament Canon* Harry Y. Gamble, 2002-03-12 This careful evaluation of the problem of the New Testament canon engages historical literary and theological questions often not raised by the general reader How did this collection of writings come into being What assumptions and intentions contributed to its formation Who or what determined its contents On what basis did special authority come to be attached to these writings How does the character of this collection bear upon its interpretation In what ways does this collection claim or exercise religious authority After grappling with these basic questions Gamble concludes The history of the canon indicates clearly enough that the contents of the New Testament were determined by the church on the basis of tradition one cannot have scripture without also having tradition

The Formation of the Christian Biblical Canon Lee Martin McDonald, 1993-10 Lee McDonald has written a lucid and accessible account of the formation of the Christian Bible clearly marshalling the major evidence working through the main problems and reaching persuasive conclusions Treating separately the canons of the Old and New Testaments he provides translations of most of the ancient primary sources good summaries of scholarly debates and a useful guide to the extensive scholarly literature on the subject This book will find an appreciative readership among students pastors and inquiring laypersons Harry Gamble professor and chair of religious studies University of Virginia This is a remarkable book in that it tackles the question of the formation of the Christian biblical canon in its full sense that is both testaments McDonald has produced a timely study considerably improved in the sections of the OT canon and generally more comprehensive for both testaments than in his first edition that

should command wide attention for years to come He has in my opinion come to the right conclusions on the essential questions James A Sanders professor of biblical and intertestamental studies School of Theology at Claremont I am willing to endorse The Formation of the Christian Biblical Canon with great enthusiasm Quite simply it is the finest introduction to the biblical canon available for the student In particular I like two things about this second edition 1 McDonald has written a book with the student in mind Clearly he is a teacher writing for students he knows their questions and struggles well and makes a serious effort to respond to them with rigor and clarity 2 McDonald is aware of the important theological and hermeneutical issues at stake in his discussion of the biblical canon Robert W Wall professor of biblical studies Seattle Pacific University *Cyclopedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, 1887 The Biblical World William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1911 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 *Cyclopædia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, James Strong, 1891 **The Canon Debate** Lee Martin McDonald, James A. Sanders, 2001-12-01 What does it mean to speak of a canon of scripture How when and where did the canon of the Hebrew Bible come into existence Why does it have three divisions What canon was in use among the Jews of the Hellenistic diaspora At Qumran In Roman Palestine Among the rabbis What Bible did Jesus and his disciples know and use How was the New Testament canon formed and closed What role was played by Marcion By gnostics By the church fathers What did the early church make of the apocrypha and pseudepigrapha By what criteria have questions of canonicity been decided Are these past decisions still meaningful faith communities today Are they open to revision These and other debated questions are addressed by an international roster of outstanding experts on early Judaism and early Christianity writing from diverse affiliations and perspectives who present the history of discussion and offer their own assessments of the current status Contributors William Adler Peter Balla John Barton Joseph Blenkinsopp Fran ois Bovon Kent D Clarke Philip R Davies James D G Dunn Eldon Jay Epp Craig A Evans William R Farmer Everett Ferguson Robert W Funk Harry Y Gamble Geoffrey M Hahneman Daniel J Harrington Everett R Kalin Robert A Kraft Jack P Lewis Jack N Lightstone Steve Mason Lee M McDonald PHEME PERKINS James A Sanders Daryl D Schmidt Albert C Sundberg Jr Emanuel Tov Julio Treballe Barrera Eugene Ulrich James C VanderKam Robert W Wall **History of the Canon of the Holy Scriptures in the Christian Church** Eduard Reuss, 1884 **A Dictionary of Religious Knowledge ... Comprising Full Information on Biblical, Theological and Ecclesiastical Subjects. With ... Maps and Illustrations. Edited by ... L. Abbott, Assisted by ... T. J. Conant** Lyman ABBOTT, 1875 A Religious Encyclopædia, Or, Dictionary of Biblical, Historical, Doctrinal, and Practical Theology Philip Schaff, Samuel Macauley Jackson, 1882 The Cyclopaedia of Biblical Literature John Kitto, 1881

While this might not be the Biblical Canons full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Biblical Canons eBooks, including some popular titles.

## FAQs About Biblical Canons Books

**What is a Biblical Canons PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Biblical Canons PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Biblical Canons PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Biblical Canons PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Biblical Canons PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
