Chinese People Stand Up:

CHANGE CHINA: False Marxist-Leninist Communism and Socialism Fumin Tang, Changing China has become an important factor in influencing the value of human society as a whole However in order to truly achieve substantive change in Chinese society it is necessary to achieve a new understanding of the civilizational order of human society Although there are already various ideas and theories guiding and influencing the real world all kinds of disputes and confusion are emerging The endless disputes over various interests and concerns over various values are all urging a rebirth of the cognitive values of human civilization Although I have the desire to contribute to the advancement of human civilization I am not able to do so alone Although I have spent most of my life exploring I have not been able to meet the needs of reality In recent years I have been fortunate enough to live in the United States where I enjoy a great deal of freedom and I have been able to express some of my initial understanding publicly Although my conceptualization of these values is not formally acknowledged by relevant authorities or experts I feel it is important to articulate and record these ideas in the hope that they will help influence people s perception of the real world and improve it especially in Chinese society

The Construction of Value Philosophy in Contemporary China Deshun Li,2025-03-11 This book approaches humanism in the new era in China by discussing the nature of value philosophy and by analyzing in depth the significance of value research for China s modernization and future development The author expounds his own point of view on the value of human beings as the foundation of value philosophy and subsequently applies it to understanding conflicting values between China and the West universal values etc In addition he discusses the cultural value concept in China e g the craze for traditional Chinese culture value choices in socialism with Chinese characteristics and Deng Xiaoping s great practice Combining the fields of academic study political affairs cultural communication and social life the book offers a valuable resource for scholars researchers politicians diplomats university students and those who want to study and understand value philosophy Chinese value research and Chinese culture In addition it seeks to realize the value of human beings in culture Lastly its discussions on the value concept can facilitate understanding and respect among people s all over the world
