God and Money Gregory Baumer, John Cortines, 2016-02-25 Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life. 100% of the author royalties goes toward Christian ministries focused on spreading the Gospel and providing for those in need. John and Greg realize what everyone should know: that middle class Americans are among the richest people in world history. It's time for Christ followers to understand that God has bigger purposes than increasing our standard of living. He wants us to increase our standard of giving. Randy Alcorn from the Foreword of *God and Money*. John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking "How much should I give" and started asking "How much do I need to keep." With their top-notch education and rising careers, Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America, and many Christian commentators. Cortines and Baumer show not only how to radically give, but explain how to do so responsibly. Dive into the story and get equipped with the practical tools to: Easily set budgets for spending. Wisely steward your money. Prepare and save for your future: home ownership, retirement, higher education, etc. Know what the Bible says about money, tithing, and faith. Discern when to give and when not to give. And so much more. Discover the 7 Core Principles of Wealth and Giving. Authors Cortines and Baumer pack 2,350 verses on money into 7 practical principles that can be applied to your life and finances on a daily basis. From shopping for groceries to your first down payment on a home, apply these reliable guidelines with ease and clarity. Everything we own actually belongs to God.
