The Case for Easter Lee Strobel, 2009-12-15 Did Jesus of Nazareth really rise from the dead Of the many world religions only one claims that its founder returned from the grave The resurrection of Jesus Christ is the very cornerstone of Christianity But a dead man coming back to life In our sophisticated age when myth has given way to science who can take such a claim seriously Some argue that Jesus never died on the cross Conflicting accounts make the empty tomb seem suspect How credible is the evidence for and against the resurrection Focusing his award winning skills as a legal journalist on history's most compelling enigma Lee Strobel retraces the startling findings that led him from atheism to belief He examines The Medical Evidence Was Jesus's death a sham and his resurrection a hoax The Evidence of the Missing Body Was Jesus's body really absent from his tomb The Evidence of Appearances Was Jesus seen alive after his death on the cross Written in a hard hitting journalistic style The Case for Easter probes the core issues of the resurrection Jesus Christ risen from the dead superstitious myth or life changing reality The evidence is in The verdict is up to you

resurrection The Risen One is a perfect and doable gift for any growing family or beloved friend who needs meaningful and biblical reminders of all Jesus is for them and how much God loves them during the busy and the bustle of the Easter season setting him back in the center of it all Whether used as a follow up to The Expected One or used on its own The Risen One is a deeply encouraging devotional helping each of us experience all that Jesus is for us in the Easter story **The Meaning of Easter (Pack of 25)** ,2019-01-31 The resurrection proved Christ s substitutionary sacrifice was fully accepted by his Father This truth about Easter invites all to trust in Christ **The Jewish Pesach and the Origins of the Christian Easter** Clemens Leonhard,2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author s close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil *Let Jesus Easter in Us* Walter J. Burghardt,2006 With an updated index to all of Burghardt s sermons in this and previous volumes Once again Walter Burghardt one of America s most talented and beloved preachers brings his many devotees a brand new collection of homilies his fourteenth published by Paulist Press The thirty homilies were delivered for occasions as diverse as a Sunday a weekday a memorial of a saint or a hero such as Martin Luther King Jr a wedding a radio mass and his seventieth year as a priest What ties them together however is Burghardt s abiding interest in and pursuit of biblical justice As with his previous volumes this collection will be inspirational for anyone who preaches as a newcomer or veteran in the field or just as importantly for anyone who listens

Avana,2003 Easter is not about mauve hats nor chocolate Easter bunnies What it is about is joy the joy and therefore hope of the resurrection from death of the Lord Jesus Christ The thought behind this book was to gather stories related to Easter s message and blend them with some particularly piercing sermons given on Easter Day when perhaps some inspiration might have seeped through the cobblestones of society s day to day clatter And surely life society and daily thinking have changed immensely during the last 20 centuries 20 years and perhaps even 20 minutes Yet if one reads the biblical texts the overriding concerns of the people of that time do not differ much from our own Jesus Christ s resurrection from death brought about a large scale change in life s equation however The message is not hard to understand even in today s world It is hoped that this modest book will remind readers of what they should already know Hope in Times of Fear Timothy Keller,2021-03-09 The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told One similarity unites each testimony that none of his most loyal and steadfast followers could see it was him back from the dead The reason for this is at the very foundation of the Christian faith She turned around and saw Jesus standing there but she did not realize that it was Jesus John 20 14 Hope in the Time of Fear is a book that unlocks the meaning of Jesus s resurrection for readers Easter is considered the most solemn and important holiday for Christians It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb For his devoted followers nothing could prepare them for the moment they met the resurrected Jesus Each failed to recognize him All of them physically saw him and yet did not spiritually truly see him It was only when Jesus reached out and invited them to see who he truly was that their eyes were open Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it filled with unshakable belief piercing insight and a profound new way to look at a story you think you know After reading this book the true meaning of Easter will no longer be unseen The Characters of Easter Daniel Darling,2021-02-02 Meet the unlikely people who witnessed history s greatest event At Easter the Son of God took on the world s sin and defeated the devil death and grave How is it then that history s most glorious moment is surrounded by fearful fishermen despised tax collectors marginalized women feeble politicians and traitorous friends In The Characters of Easter you ll become acquainted with the unlikely collection of ordinary people who witnessed the miracle of Christ s death and resurrection Enter their stories and ultimately draw closer to Christ Himself as you encounter His Passion through their experiences The Characters of Easter provides a fresh approach to the Lenten season and can be used as a devotional or study for both individuals and groups **Easter in St. Paul's** Henry Parry Liddon,1890 **Why Easter?** Barbara Reaoch,2012-02-17 Easter is a celebration of the life death and resurrection of Jesus Christ But how many children know why Jesus died and came to life again This illustrated devotional contains 28 lessons one for each day of the four weeks leading up to Easter in a short focused format designed to help parents show the Christ of
