**Knowing Jesus Through the Old Testament** Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion *The Great Argument, Or, Jesus Christ in the Old Testament* William Hanna Thomson, 1884 **Christ in the Old Testament** Thomas Hopko, 2002 **Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament** William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal [Christ in the Old Testament Pamphlet](#) Rose Publishing, 2007-11-26 [Christ in the Old Testament](#) is a handsome pamphlet that explores the lives of 13 biblical people who prefigured the Messiah This bestselling 14 panel foldout chart examines types parallels and illustrations of Jesus throughout the Old Testament including men such Melchizedek King David Adam Noah Abraham Joseph and many others When viewed through the prism of Christ s life death and resurrection these Old Testament characters and their roles in Old Testament history take on new dimensions Students will discover how their lives can also point to Christ Christ is the key to what God had been pointing to in all the history of God s people One way to see this is to examine parallels between Old Testament people events and things and the life of Jesus in the New Testament [Christ in the Old Testament pamphlet](#) shows how the Old Testament anticipates reveals promises and foreshadows Christ featuring types and illustrations of Jesus The pamphlet reveals 13 Old Testament men who foreshadowed Jesus A Scriptural time line of their placement in history Summaries of their lives and significance Charts comparing ways their life events and actions paralleled Christ or his coming Life application questions The 13 men in the Old Testament whose life foreshadowed Christ include Adam Noah Abraham Melchizedek Joseph Moses Joshua Samuel David Elijah and Elisha Zerubbabel and Joshua Throughout the Old Testament God provided glimpses into the character and nature of the Messiah through typologies significant biblical characters whose actions or events symbolically correspond with or contrast to the life of Christ Here are a few examples of
