Copper Moon:

Sleigh Bells Ring Katherine Stone, 2025-04-11 The Stone magic makes these books such a pleasure to read and share Rendezvous Her characters live with the shadows over their lives and make the best of them honorably courageously and generously We can be happier for knowing these people in the short run and better for knowing them in the long run Reviewer's Choice Reviews A splash of suspense a dash of Christmas magic and a sleighful of love A ghost of Christmas past makes the holidays a difficult time for homicide lieutenant Nicholas Hunter It was just days before a long ago Christmas that Nick's dangerously unbalanced mother disappeared with his four year old brother the brother that the then eight year old Nicholas had vowed always to protect Thirty years later Nick continues his unrelenting search for the brother he lost and now once again at Christmastime a psychopath is forcing women from Nick's past to publicly humiliate themselves in an effort to destroy their careers and draw Nick into a life or death game of catch me if you can It is against this dramatic backdrop that Nick who has always believed that there is no place for love in his deeply scarred heart meets Claire Claire was an innocent sixteen year old when she became the victim of an apparent hit and run accident The life threatening head injury she suffered imparted an extraordinary gift but also left her with an intense foreboding of imminent personal harm so terrifying that she felt compelled to flee the city she loved Now fifteen years later Claire returns to Seattle intent on unmasking and conquering that enigmatic fear only to discover that its cause is very real At a tender age Allison Prentice comes to the devastating conclusion that she is simply the wrong child for her wildly successful perfectionist parents No matter how hard she strives to meet their unbounded expectations her parents approval remains an elusive dream Even her brilliant academic achievements receive faint praise For the shy unhappy Allison the solution is escape as a child into her own private world then as soon as she graduates from high school from the city in which she grew up When Allison finally returns to Seattle it is as a superstar intellectual property litigator She is just beginning to find happiness and love with a man named Lucas when the psychopath chooses her as his next pawn **Consider the Lilies** Terry Hickey

Abercrombie, 2011-11-21 In *Consider the Lilies* author Terry Hickey Abercrombie presents a heartwarming collection of stories and poems for her high school friend General Wayne Downing her dad D H Hickey and her large family including six grandchildren Her family and friends have provided much of the inspiration for this collection In these personal stories of triumph over loss and of joy in the simple moments of life she captures the true emotion and loving Christian spirit of the holidays from the turkey she won but decided was designated for a higher purpose to the hug and kiss she received from her son on Christmas She shares spiritual as well as emotional insights in each of her stories and poems *Consider the Lilies* offers an inspiring glimpse into a life well lived *Waiting for the Sunshine* Oh Its so cold dark and dreary When I go out I feel weary The sun wont shine just for a while Just to see it could make me smile Windows are iced up as can be Cars wont start even jauntily Everyones sick with colds and flu Sub zero weather makes me blue I cant wait till the sun comes out It will warm
