Handbook of Couples Therapy Michele Harway, 2005-01-21 The essential guide to successful couples therapy at every stage of the lifecycle. A variety of therapeutic interventions can help couples develop the tools for a successful relationship. Yet many practitioners begin seeing couples without extensive training in couples work. To fill this gap in their therapeutic repertoires, noted couples therapist Michele Harway brings together other well-known experts in marriage and family therapy to offer the *Handbook of Couples Therapy*, a comprehensive guide to the study and practice of couples therapy. The book's chapters provide a variety of perspectives along developmental, theoretical, and situational lines. Recognizing the need for clinically proven, evidence-based approaches, chapters provide detailed coverage of the most effective treatment modes. Couples at different stages of the lifecycle feature prominently in the text, as do relevant special issues and treatment approaches for each stage. Subjects covered include premarital counseling from the PAIRS perspective, an extensive curriculum of interventions for premarital couples, the first years of marital commitment, couples with young children, couples with adolescents, therapy with older couples, same-sex couples, a variety of theoretical approaches including Cognitive Behavioral, Object Relational, Narrative Integrative, and Feminist, and Contextual. Special issues and situations including serious illness, physical aggression, addiction, infidelity, and religious/spiritual commitments or conflicts. Providing a diverse set of treatment approaches suited to working with a wide range of adult populations, the *Handbook of Couples Therapy* is an essential resource for mental health professionals working with couples. [Picking up the Pieces](#) Leah Light, 2005-03-04 Earth-shattering events can and do happen in any and all facets of one's life. A relationship ends, a loved one dies, we may lose a job, our health, hopefully not all our marbles. *Picking up the Pieces* is the story of a compound loss that becomes a second chance. From heartbreak can come healing, from defeat, recovery, and discovery. Ultimately, this is a story of a woman coming into her own power and purpose. Her journey is shared through a unique and mystical viewpoint as a healer with intuitive gifts. In the blink of an eye, an old way of life can vanish forever. And yet a new and possibly greater world is forming just out of view, though some assembly may be required. Other Books by Leah Light: *We Are Becoming Souls*, Evolving AuthorHouse 2007, and Contributing Author of *101 Great Ways to Improve Your Life*, Volume 2, Self Improvement Online 2006.
