Balanchine and Me is dedicated to Martins's profound artistic relationship with George Balanchine who taught him a new freer style of dance and ultimately entrusted Martins with the future of the New York City Ballet which Martins went on to lead for 35 years. Holding On to the Air Suzanne Farrell, 2002-09-15 Suzanne Farrell world renowned ballerina was one of George

Balanchine's most celebrated muses and remains a legendary figure in the ballet world. This memoir first published in 1990 and reissued with a new preface by the author recounts Farrell's transformation from a young girl in Ohio dreaming of greatness to the realization of that dream on stages all over the world. Central to this transformation was her relationship with George Balanchine who invited her to join the New York City Ballet in the fall of 1961 and was in turn inspired by her unique combination of musical, physical and dramatic gifts. He created masterpieces for her in which the limits of ballet technique were expanded to a degree not seen before. By the time she retired from the stage in 1989, Farrell had achieved a career that is without precedent in the history of ballet. One third of her repertory of more than 100 ballets were composed expressly for her by such notable choreographers as Balanchine, Jerome Robbins and Maurice Bejart. Farrell recalls professional and personal attachments and their attendant controversies with a down-to-earth frankness and common sense that complements the glories and mysteries of her artistic achievement.

Balanchine's Dancing Cowboy Emily Berkowitz, 2013. In this new biography Frank Ohman tells of his journey as a cowboy growing up in the American West to his development as an internationally known dance professional. Along the way he is guided by his friend and mentor the legendary George Balanchine. During his twenty-two years as a lead dancer and soloist at the New York City Ballet, Frank appears in ballets choreographed by the pantheon of dance from 1962 until the early 1980s, including Mr. Balanchine, Jerome Robbins, Antony Tudor, David Lichine and Jacques D'Amboise. During that time he had the privilege of partnering many of the world's leading ballerinas, including Maria Tallchief, Melissa Hayden, Suzanne Farrell, Allegra Kent, Patrician McBride, Gelsey Kirkland and Cynthia Gregory. Frank goes on to share his transition from performer to choreographer, teacher and artistic director of his own company, the New York Dance Theatre, and the Frank Ohman School of Ballet, where he carries on the Balanchine legacy as he trains new generations of dancers.

**Wilde Times** Joel Lobenthal, 2016-06-07. At eighty-seven, Patricia Wilde remains a grande dame of the ballet world. As a young star, she toured America in the company of the Ballet Russe. In her heyday in the 1950s and 60s, she was a first-generation member and principal dancer of New York City Ballet during the uniquely dramatic Balanchine era, the golden age of the company and its hugely gifted, influential, exploitative and dictatorial director. In *Wilde Times*, Joel Lobenthal brings the world of Wilde and Balanchine, of Tanaquil Le Clercq, Diana Adams, Suzanne Farrell, Maria Tallchief and many others thrillingly to life. With unfettered access to Wilde and her family, friends and colleagues, Lobenthal takes the reader backstage to some of the greatest ballet triumphs of the modern era and some of the greatest tragedies. Through it all, Patricia Wilde emerges as a figure of towering strength, grace and grit. *Wilde Times* is the first biography of this seminal figure in American dance, written with the cooperation of the star but wide-ranging in its use of sources to tell the full and intertwining stories of the development of Wilde, of Balanchine and of American national ballet at its peak in the twentieth century.
