**The Sexual Politics of Ballroom Dancing** Vicki Harman,2018-10-10 This book presents an engaging sociological investigation into how gender is negotiated and performed in ballroom and Latin dancing that draws on extensive ethnographic research as well as the author s own experience as a dancer It explores the key factors underpinning the popularity of this leisure activity and highlights what this reveals more broadly about the nature of gender roles at the current time The author begins with an overview of its rich social history and shifting class status establishing the context within which contemporary masculinities and femininities in this community are explored Real and imagined gendered traditions are examined across a range of dancer experiences that follows the trajectory of a typical learner from finding a partner attending lessons and forming networks through to taking part in competitions The analysis of these narratives creates a nuanced picture of a dance culture that is empowering yet also highly consumerist and image conscious a highly ritualised set of practices that both reinstate and transgress gender roles This innovative contribution to the feminist leisure literature will appeal to students and scholars of anthropology dance sport gender cultural and media studies St. Nicholas Mary Mapes Dodge,1914 *Boot and Shoe Recorder* ,1907 *Shoe and Leather Journal* ,1898 *Sweet Dreams Delight: 30 Bedtime Short Stories* Priscilla Rogers,2024-01-02 Introducing Sweet Dreams Delight 30 Bedtime Short Stories a whimsical collection crafted to transport young readers into a world of enchantment and imagination before drifting into the land of dreams This delightful anthology filled with thirty captivating tales promises to make bedtime a cherished adventure for every little dreamer Each short story within this magical compilation is carefully tailored to captivate young hearts offering a delightful blend of fantasy friendship and valuable life lessons From talking animals and mystical lands to courageous little heroes and bedtime wonders every narrative is a small enchanting journey that encourages creativity and sparks the imagination As the sun sets and the stars twinkle in the sky Sweet Dreams Delight becomes the perfect companion for winding down The 30 carefully curated bedtime short stories promise to ignite smiles spark conversations and create memories that will linger in young minds long after the final page is turned With its charming narratives and colorful characters this collection is designed to bring families together during the quiet moments before sleep Immerse your little ones in tales of joy whimsy and bedtime delight fostering a love for storytelling and planting the seeds of a lifelong appreciation for literature Sweet Dreams Delight 30 Bedtime Short Stories is not just a book it s an invitation to embark on a journey of shared imagination creating a nightly ritual that both children and parents will cherish So snuggle up open the pages and let the magic of these short stories weave a tapestry of sweet dreams and lasting memories for your little ones
