This Is the Life Terry Hershey,2019-10-14 Before we decipher life let us see life Before we wish for another life let us feel this life Before we give in to if only let us listen to this moment Before we succumb to someday let us inhale this day Before we trade in this life for the life we should have let us taste this life We are born to savor life to live in the moment What holds us back When we stop the noise the distraction the compulsion to perform the fear of rejection we make space to savor the power of the present moment We carry this capacity to honor the present into every encounter and relationship meaning that we honor the dignity that is reflected by God s goodness and grace Every encounter every relationship is a place to include invite mercy encourage receive heal reconcile repair say thank you pray celebrate refuel and restore This book is an invitation to practice to savor the sacred present We are called to be available To be curious To be alive To be willing to be surprised by joy To know there is power in the word enough Ask yourself this What will you choose to honor today
