Dictionary Of Christian Biography:

A Dictionary of Christian Biography, Literature, Sects and Doctrines William Smith, Henry Wace, 1877 **A Dictionary of Christian Biography and Literature to the End of the Sixth Century A.D.** Henry Wace, William Coleman Piercy, 1911

A kaleidoscopic view of Knitter's theology including his thoughts on the important question of the uniqueness of Christ [A Dictionary of Christian Biography, Literature, Sects and Doctrines: Being a Continuation of 'The Dictionary of the Bible'; Volume 1](#) Henry Wace, William (Sir) Smith, 2023-07-18 This comprehensive reference work offers a wealth of information on Christian leaders, writers and theologians throughout history. Written by Henry Wace, an eminent scholar of the Church of England, this volume provides in-depth biographical information on an array of figures, as well as critical assessments of their works and their impact on Christian thought and practice. A valuable resource for scholars and laypeople alike, this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity, individual or corporate, has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

[A Dictionary of Christian Biography, Literature, Sects and Doctrines](#) Henry Wace, Sir William Smith, 1874 This book is a dictionary of Christian biographies, literature, sects and doctrines of the saints [A Dictionary of Christian Biography V2](#) William Smith, Henry Wace, 2014-03 This is a new release of the original 1877 edition.

[A Dictionary of Christian Biography, Literature, Sects and Doctrines](#) William Smith, 1877 **A Dictionary of Christian Biography, Literature, Sects and Doctrines** William Smith, 2025-05-22 A Dictionary of Christian Biography, Literature, Sects and Doctrines by William Smith is an extensive reference work that serves as a continuation of The Dictionary of the Bible. This comprehensive volume, originally published in 1877, provides detailed biographical entries of significant figures in Christian history, explores influential Christian literature, and examines various Christian sects and doctrines. It offers invaluable insights into the historical and theological development of Christianity. This dictionary is an essential resource for theologians, historians, students, and anyone interested in gaining a deeper understanding of the diverse aspects of Christian thought and practice. It meticulously compiles a wealth of information, making it a vital addition to any theological library and a significant contribution to the study of Christian heritage. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world, and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you

may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

A Dictionary of Christian Biography and Literature to the End of the Sixth Century A. D., With an Account of the Principal Sects and Heresies (Classic Reprint) Henry Wace, 2017-07-18 Excerpt from A Dictionary of Christian Biography and Literature to the End of the Sixth Century A D With an Account of the Principal Sects and Heresies But the limitation of such a work to this period at once disembarrassed our pages of the mass of Teutonic and sometimes almost pagan names with which after the settlement of the barbarians in Europe we were over whelmed and thus of itself rendered it possible to bring the work into much narrower compass Moreover a mass of insignificant names which the principles of scholarly completeness obliged us to introduce into the larger Dictionary were not needed for the wider circle now in contemplation They were useful and necessary for purposes of learned reference but they cast no light on the course and meaning of Church history for ordinary readers We have had to exercise a discretion which may sometimes seem to have been arbitrary in selecting for instance from the 596 Johns just mentioned those which were the most valuable for such readers as we had in view and for the manner in which we have exercised that discretion we must trust ourselves to the indulgent judgment of our readers The publisher gave us generous limits but it seemed to him and to ourselves indispensable for the general usefulness of the Dictionary that it should be restricted to one volume and we were thus with respect to the minor names obliged to omit many which though of some interest seemed to be such as could be best dispensed with About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Dictionary of Early Christian Biography Henry Wace, William C. Piercy, 1994 *DICT OF CHRISTIAN BIOG & LITER* Henry 1836-1924 Wace, 2016-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a
