## **Basic Ethics:**

**Basic Ethics** Michael Boylan, 2020-12-29 *Basic Ethics* presents for a wide range of students and other interested readers the questions raised in thinking about ethical problems the answers offered by moral philosophy and the means to better integrate into both the reader's world and personal life It takes up what the author calls a worldview theory which shows readers how to begin with the values and understanding of the world that they already possess in order to transition from there to new levels of increasing ethical awareness Updates to the third edition include the more thorough integration of feminist ethics into the principal theoretical traditions a new chapter on the ethical responsibility to be well informed of current events expanded coverage of human rights and additional opportunities on how to use ethical reasoning in thinking about one's own life and about public policy Key Features Links personal values to a philosophical treatment of the major ethical theories Presents ethics in the context of social political issues that face our nation and the world Challenges the student to react to the presented material through critical exercises that may be used as weekly assignments and can form the basis of class discussion and evaluation Engages the student to think about underlying issues first in the basic questions before presenting the most popular solutions in the basic answers Invites the reader to make up her own mind on how to formulate an ethical theory that will help her in her own life Offers a 16 chapter format to fit into most college semester calendars Presents an overall structure that establishes foundational problems in ethical theory in the first section of the book that are variously addressed by the different ethical theories in the second section of the book Highlights key terms to help the reader grapple with issues raised which are reviewed and defined in a final Glossary Includes a final chapter designed to help students comprehend the book in its entirety Updates to the Third Edition Highlights new research on human rights and their relevance to ethical thinking and contemporary moral issues Integrates feminist ethics into the principal theoretical traditions virtue ethics ethical intuitionism and some versions of deontology Provides new coverage of fake news and the moral responsibility to be well and accurately informed of current events Expands opportunities to use ethical reasoning in thinking about one's own life and about public policy

**Formalism in Ethics and Non-formal Ethics of Values** Max Scheler, 1973 A lengthy critique of Kant's apriorism precedes discussions on the ethical principles of eudaemonism utilitarianism pragmatism and positivism

**Basic Moral Concepts** Robert Spaemann, 1989 In this excellent and clearly written introduction to ethical thinking Spaemann provides a stimulating discussion of the fundamental concepts we use everyday when we deliberate alone or with others about the moral aspects of our action

*The Oxford Handbook of Ethical Theory* David Copp, 2006-01-26 The Handbook is a comprehensive reference work in ethical theory consisting of commissioned articles by leading scholars The first part treats meta ethics and the second part normative ethical theory As with all the Oxford Handbooks the collection is designed to achieve three goals exposition of central ideas criticism of other approaches and defenses of distinct points of view

**Ethics** Harry J Gensler, 2017-12-06 *Ethics A Contemporary*

Introduction introduces the issues and controversies of contemporary moral philosophy It gets students to struggle with the big questions of morality while it also relates these questions to practical issues especially racism global warming moral education and abortion Providing a practical method for thinking about moral issues a method based largely on the golden rule it is written simply and clearly throughout College students who are new to philosophy or who have already taken an introductory level course will benefit from its use Key Features Serves as either the sole textbook for a lower level introduction to ethics moral philosophy course or a supplementary text for a more advanced undergraduate ethics course Provides clear direct writing throughout making each chapter easily accessible for an engaged undergraduate student Offers a philosophically rigorous presentation of the golden rule Includes helpful study aids including bolded technical terms boxes for key ideas summaries study questions and suggested readings for each chapter and a comprehensive glossary index at the back of the book Key Additions to the Third Edition Each chapter now offers additional optional sections on more advanced topics for students wishing to dig deeper into the material advanced topics include Kohlberg s moral psychology whether morality is gendered types of relativism early Greek ethics Hume and the prisoner s dilemma Other improvements include better chapter organization clearer explanations improved examples new names for key arguments and a better Kindle version An updated and improved EthCola instructional program with a score processing program teacher s manual and class slides which can be downloaded from the web for free from [www.harrycola.com/ec](http://www.harrycola.com/ec) or [www.harryhiker.com/ec](http://www.harryhiker.com/ec)

**Basic Moral Philosophy** Robert L. Holmes, 2003 Striving for a comprehensiveness that is rare in introductory ethics texts BASIC MORAL PHILOSOPHY introduces students without prior backgrounds in ethics to a clear and systematic approach to ethical theories Illustrating the historical roots of ethical theories and placing individual theories in the broader context of moral philosophy s basic problems the text presents reasoned assessments of various theories in order to help students actively engage the material and develop their own views This versatile book can be used in a number of different fashions as a core text in any introductory ethics course as a short introductory section on ethical theory at the beginning of a problems course or other courses in applied ethics e g bioethics as the ethics component of an introduction to philosophy course or finally as a supplementary review text for more advanced undergraduates and graduate students [On the Moral Right to Get High](#) Rob Lovering, 2025-06-29 Is getting high immoral In this book Rob Lovering defends the claim that it is not More specifically he argues that recreational drug use of which getting high is a token is neither intrinsically nor generally extrinsically immoral In other words he contends that recreational drug use is neither immoral in and of itself nor generally immoral due to an immoral making factor with which it may be contingently linked e g harm Lovering does so by offering two arguments for recreational drug use s ultima facie all things considered moral permissibility and critiquing twenty four arguments for its immorality Meant to be a companion to Lovering s A Moral Defense of Recreational Drug Use Palgrave Macmillan 2015 which was written for a general audience this book is written for an academic specifically philosophical

audience and explores recreational drug use in a deeper more philosophically and empirically rigorous way     **Civilization and Ethics** Albert Schweitzer,1929     **Right and Reason** Austin Fagothey,1963 With the modern value theory as basis the point of discussion is Aristotelian Thomistic     *A Moral Defense of Prostitution* Rob Lovering,2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution s immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world s oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic     Feminist Ethics Claudia Card,1991 Fifteen essays address subjects ranging from the history of feminist ethics to the logic of pluralist feminism and present feminist perspectives on such topics as terrorism bitterness women trusting other women and survival and ethics Paper edition unseen 14 95 Annotation copyrighted by Book News Inc Portland OR     International Journal of Ethics ,1930 Includes section Book reviews     **The Philosophy of Civilization** Albert Schweitzer,1929     *Jurisprudence, Law and Ethics* Edgar Benton Kinkead,1905     *Pacific Business* ,1924     **Catholic Sexual Ethics** Ronald David Lawler,Joseph M. ### **Basic Ethics Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Basic Ethics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Basic Ethics has opened up a world of possibilities. Downloading Basic Ethics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Basic Ethics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Basic Ethics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Basic Ethics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Basic Ethics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Basic Ethics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,
