**Between Brothers** C. Kelly Robinson, 2008-08-26 A suspenseful coming of age story that moves from the halls of a historically black university to the streets of Washington D C with great insight into the joys and perils of discovering what really matters in life As the Ellis Community Center a rare bright spot in a low income Washington D C neighborhood struggles to keep its doors open its last hope for survival lies with four Highland University housemates Terence Bootstrapper Davidson Clawing his way out of poverty he refuses to give in to the streets while struggling to save Biggie his defiant little brother from that very fate Larry Smooth Operator Whitaker Driven and ambitious he has everything the Lexus the superfly girlfriend and a future edged in gold Brandon Choirboy Bailey A bright premed major who has been dateless for four years he struggles to maintain his religious faith despite his longing for Monica a classmate he s loved from afar O J Sinister Minister Peters Unsuccessfully juggling his budding career as a Baptist preacher with a string of empty affairs he sees his carefully constructed double life threatened when a member of his congregation becomes pregnant Their mission to save Ellis Center quickly puts them in harm s way when Nico Lane a sophisticated local drug dealer who wants the center shut down becomes aware of their efforts When Larry s campaign for student body president is sabotaged O J s women suddenly catch on to his act and Terence is forced to choose between the center and Biggie s life the men suspect there is more to the center s problems than just bad finances From the Trade Paperback edition

Vanessa De Gifis, 2014-04-16 Exploring the subjectivity of the Qur n s meaning in the world this book analyses Qur nic referencing in Muslim political rhetoric Informed by classical Arabic Islamic rhetorical theory the author examines Arabic documents attributed to the Abb sid Caliph al Ma m n r 813 833 whose rule coincided with the maturation of classical Islamic political thought and literary culture She demonstrates how Qur nic referencing functions as tropological exegesis whereby verses in the Qur n are reinterpreted through the lens of subjective experience At the same time socio historical experiences are understood in terms of the Qur n s moral typology which consists of interrelated polarities that define good and bad moral characters in mutual orientation Through strategic deployment of scriptural references within the logical scheme of rhetorical argument the Caliph constructs moral analogies between paradigmatic characters in the Qur n and people in his social milieu and situates himself as moral reformer and guide in order to persuade his audiences of the necessity of the

Caliphate and the religio moral imperative of obedience to his authority The Ma m nid case study is indicative of the nature and function of Qur nic referencing across historical periods and thus contributes to broader conversations about the impact of the Qur n on the shaping of Islamic civilization This book is an invaluable resource for those with an interest in Early Islamic History Islam and the rhetoric of contemporary Middle East regional and global Islamic politics **The Accountant** ,1883 **Reports of Cases Decided in the Court of Appeals of the State of New York** New York (State).
