Dance Current Selected Research Volume 3

Bo-Wah Leung

Dance Current Selected Research Volume 3:

Rhythm and Timing of Movement in Performance Janet Goodridge, 1999 Despite the richness of the subject and the importance frequently ascribed to the phenomena of rhythm and timing in the arts the topic as a whole has been neglected Janet Goodridge writes from a practical movement background and draws on a wide range of sources to illuminate the subject in relation to theatre drama dance ceremony and ritual *Traditional Musics in the Modern World: Transmission, Evolution, and Challenges* Bo-Wah Leung, 2018-07-25 This book reviews the current practices of traditional musics in various cultures of all continents and examines the impact and significance of traditional musics in the modern world A diverse group of experts of musicology and music education collaborate to expose the current practices and challenges of transmission and evolution of traditional musics in order to seek sustainable development so that traditional musics can take the place they deserve in the modern world and continue to contribute to human civilization This volume contains three main sections that include transmission of traditional musics authenticity and evolution as well as challenges in future Based on the chapters the editor proposes four major trends of transmission of traditional musics namely formalization politicization Westernization and modernization in transforming contexts **Martha Graham** Alice Helpert, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Creative Communities* Michael Rushton, 2013-04-12 Examines the impacts of arts and cultural consumption and production on local economies Topics include location choices of arts entrepreneurs links between the arts and non arts sectors public policies to foster local arts and the arts effects on incomes in cities across the United States and the United Kingdom Provided by publisher **In the borderland between song and speech** Håkan Lundström, Jan-Olof Svantesson, 2022-06-28 This is a study of vocal expressions in the borderland between speech and song based on performances from cultural contexts where oral transmission dominates Approaches drawn from perspectives belonging to both ethnomusicology and linguistics are integrated in the analysis As the idea of the performance template is employed as an analytical tool the focus is on those techniques that make performance possible The result is an increased understanding of what performers actually do when they employ variation or improvisation and sometimes composition as well The transmission of these culture specific techniques is essential for the continuation of this form of human communication and interaction with the spirit world By comparative study of other research the result of the analysis is viewed in relation to ongoing processes in society An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence Dancers and Choreographers Leslie Getz, 1995 Covers the full range of English language dance book literature published in the twentieth century as well as all the scholarly periodicals in the field from the United States Great Britain Canada and Australia *Handbook of Research on Improving Student Achievement* Gordon Cawelti, 2004 This updated report is an essential tool for school leaders and practitioners alike and is the single most authoritative source for effective K 12 teaching and learning practices across the content areas This one volume brings

together in readable concise language the authoritative research on effective classroom practices in all major disciplines currently taught in elementary and secondary schools the arts foreign language health language arts physical education mathematics social studies and science as well as generic practices that apply across all disciplines This third edition includes over 100 research based classroom strategies and features a new chapter that synthesises the research on high performing school districts and discusses ways school districts can support instructional improvement
