**Butterflies, Fairies and Moonbeams** Melody Hamby Goss, 2017-04-30 A simple book of verse and prose of nature and imagination. I have come to terms with the future. From this day forward I will walk easy on the earth, plant trees, and kill no living things. Live in harmony with all creatures. I will restore the earth where I am. *Songs of Gaia* Julie Tara, 2015-05-05 In our world today there is a yearning to connect to beauty, a rising tide of sensitivity and awareness of the immense difficulties we are facing, a need to find a sense of redemption. Poetry offers this. It opens the window to paradox, giving voice to both the soul's grief and its longing for the ecstatic. Julie Tara's poetry falls in the tradition of the mystical poets who through the magic of words open the eye and the soul to the awareness of the infinite of timelessness of presence. To enter into *Songs of Gaia* is to enter into a world where the desert wind becomes a wild woman's breath, where the rivers you've drunk deeply from become the blood of the Mother's veins, and where the sound of your beating heart becomes the rhythm of the very universe in which you live.

God Came to My Garage Sale Dr. Marni Hill Foderaro, 2019-09-17 *God Came To My Garage Sale* is an inspirational fiction vignette collection of spiritual miracles experienced at an ordinary garage sale by an atheist woman who encounters numerous ethereal people and divine events challenging her long-held belief system and forever transforming her life. Forced to drastically downsize and sell most of her accumulated material possessions due to bankruptcy and unexpectedly losing her American Dream home, the dreaded task of organizing and conducting a garage sale turned out to be the most amazing and life-altering spiritual awakening experience of her existence. If you have an open mind to the possibility of God and the afterlife, then be prepared for a truly eye-opening, page-turning literary experience.

*Near Death Experiences, Out of Body Events, After Death Communications, Mystical Miracles*. Today people the world over are having weird and transformative encounters; they often don't understand. Spiritual leaders declare the veil is thinning; scientists conduct research into deeper consciousness and black holes, and Dr. Marni Hill Foderaro brings these truly divine and life-altering experiences home to our modern American middle-class existence, sensitizing us about what to watch for and what it all means. This amazing and inspirational book is an enlightening manual for learning about the loving world we came from and how we are connected to it and each other.

Diane Willis, Founder and President of Chicago IANDS International Association for Near Death Studies, Native American Flutist, Spiritual Counselor. Dr. Marni Hill Foderaro brilliantly takes the reader on a journey of truth and clarity through relatable scenarios of everyday life that we, the reader, can totally easily and personally connect with.
