Rodney Barker, 2014-01-21 In this riveting account of one of the most notorious spy cases in Cold War history Rodney Barker the author of The Broken Circle and The Hiroshima Maidens uncovers startling new facts about the head line making sex for secrets marine spy scandal at the American embassy in Moscow This is a nonfiction book that reads with all the excitement of an espionage novel Although national security issues made the case an instant sensation at one point government officials were calling it the most serious espionage case of the century the human element gave it an unusual pathos for it was not just secret documents that were at issue but love sex marine pride and race It began when a Native American marine sergeant named Clayton Lonetree who was serving as a marine security guard at the American embassy in Moscow fell in love with a Russian woman who then recruited him as a spy for the KGB Soon the story expanded to involve the CIA diplomats on both sides of the Iron Curtain and the United States Navy s own investigative service and before it was over a witch hunt would implicate more marines and ruin many reputations and careers In the end charges were dropped against everyone except Lonetree who after a long and dramatic court martial was sentenced to thirty years in prison But so many questions were left unanswered that the scandal would be thought of as one of the great unsolved mysteries of the Cold War Not any longer In the process of researching his book investigative writer Rodney Barker gained access to all the principal characters in this story He interviewed key U S military and intelligence personnel many of whom were unhappy with the public records and trial and spoke out with astonishing candor He traveled to Russia to track down and interview KGB officers involved in the operation including the beautiful and enigmatic Violetta Seina who lured Lonetree into the honey trap only to fall in love with him And he succeeded in penetrating the wall of silence that has surrounded Clayton Lonetree since his arrest and reports the sergeant s innermost thoughts A provocative aspect of this story that Barker explores in depth is whether justice was served in Lonetree s court martial or whether he was used as a face saving scapegoat after a majority security failure or doomed by conflicts within his defense team between his military attorney and his civilian lawyer William Kunstler or victimized by an elaborate and devious KGB attempt to cover the traces of a far more significant spy Aldrich

Dancing with the Devil Kathleen Dryden,2017-05-15 *Dancing With The Devil* is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn t belong unless we give him access through the choices we make that reject Christ s statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and

understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land
