Dangerous Surrender:

Dangerous Surrender Kay Warren, 2008-09-09 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same You have expectations for how your life will play out and you hope those plans will become realities But what if God's plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God's Kay Warren had a plan Together with her husband Rick Warren author of the megaseller *The Purpose Driven Life* she planned that after her kids were grown she'd travel the world teaching and encouraging couples in ministry It was a good plan But it wasn't what God had in mind for her In a startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God's call and then to surrender herself to God She cried out to God Why are you bothering me with this There's nothing I can do about it I'm just an ordinary person What could one person do about such a gigantic problem But God had grabbed her attention and wouldn't let go If you've ever struggled with knowing and doing God's will this book is for you With raw honesty Kay goes straight to the heart of the matter the bottom line is surrender Will you trust God Along the way she'll introduce you to others people like you who have said yes to God and have made a difference in the world Using their skills energy faith and a willingness to take risks they became powerful instruments of change and tools in God's hands Giving in to God isn't easy It's not for cowards It's the boldest riskiest step you'll ever take This dangerous surrender can bring both joy and pain both heartache and ecstasy but it enables you to know God in a far deeper way than ever before I had to make a conscious decision Would I retreat to my comfortable life and to my settled plans Or would I surrender to God's call and let my heart engage with a cause such as AIDS that I was pretty sure would include buckets of pain and sorrow I felt like I was standing on the edge of a giant precipice I couldn't go back and yet the way forward looked like stepping into a void Kay Warren took that step choosing to dangerously surrender to God That decision transformed her life marriage and future She invites you to do the same You'll benefit most by discussing this book with others A Readers Group Discussion Guide is provided in the back of the book Additional help can be found at www.kaywarren.com **Dangerous Surrender**
