Beardsley Miscellany:

A Beardsley Miscellany. Selected and Edited by R.A. Walker. [Selections from the Work of Beardsley with Appreciations by Various Authors. With Illustrations, Including Portraits, Reproductions and Facsimiles.] Rainforth Armitage WALKER, Aubrey Beardsley, 1949 **A Beardsley Miscellany** Georges Derry, 1949 The Victorian Illustrated Book Richard Maxwell, 2002 US scholars of literature explore how illustrated books became a cultural form of great importance in England and Scotland from the 1830s and 1840s to the end of the century Some of them consider particular authors or editions but others look at general themes such as illustrations of time maps and metaphors literal illustration and city scenes Annotation copyrighted by Book News Inc Portland OR Romantic Mythologies Ian Fletcher, 2016-04-14 First published in 1967 These essays illustrate the movement of ideas in the literary and artistic history of the later part of the nineteenth century The subjects dealt with are diverse though interrelated All the contributors exemplify the changing thought of the period from Romanticism through Victorianism to Symbolism This title will be of interest to students of art history and literature Routledge Library Editions: Romanticism Various, 2021-08-05 This set reissues 28 books on Romanticism originally published between 1940 and 2006 Routledge Library Editions Romanticism provides an outstanding collection of scholarship which explores not only Romantic literature but the Romantic Movement as a whole including art philosophy and science Tuberculosis and Disabled Identity in Nineteenth Century Literature Alex Tankard, 2018-02-05 Until the nineteenth century consumptives were depicted as sensitive angelic beings whose purpose was to die beautifully and set an example of pious suffering while in reality many people with tuberculosis faced unemployment destitution and an unlovely death in the workhouse Focusing on the period 1821 1912 in which modern ideas about disease disability and eugenics emerged to challenge Romanticism and sentimentality Invalid Lives examines representations of nineteenth century consumptives as disabled people Letters self help books eugenic propaganda and press interviews with consumptive artists suggest that people with tuberculosis were disabled as much by oppressive social structures and cultural stereotypes as by the illness itself Invalid Lives asks whether disruptive consumptive characters in *Wuthering Heights* *Jude the Obscure* *The Idiot* and *Beatrice Harraden's 1893 New Woman* novel *Ships That Pass in the Night* represented critical politicised models of disabled identity and disabled masculinity decades before the modern disability movement Conflict and Difference in Nineteenth-Century Literature D. Birch, M. Llewellyn, 2010-05-28 How should we understand Victorian conflict The Victorians were divided between multiple views of the political religious and social issues that motivated their changing aspirations Such debates are a fundamental aspect of the literature of the period and these essays propose new ways of understanding their significance **Facing the Late Victorians** Margaret Diane Stetz, 2007 It examines too the portrait as a marker both of celebrity and of modernity in an age that ushered in the present by defining itself through advertising public relations and commodification BOOK JACKET **The Poetry of the 1890's** Robert Peters, 1952 *The Gallatin Beardsley Collection in*
