The Politics of Plainchant in fin-de-siècle France Katharine Ellis,2017-07-28 This book tells three inter related stories that radically alter our perspective on plainchant reform at the turn of the twentieth century and highlight the value of liturgical music history to our understanding of French government anticlericalism It offers at once a new history of the rise of the Benedictines of Solesmes to official dominance over Catholic editions of plainchant worldwide a new optic on the French liturgical publishing industry during a period of international crisis for the publication of plainchant notation and an exploration of how both despite and because of official hostility French Catholics could bend Republican anticlericalism at the highest level to their own ends The narrative relates how Auguste P coul a former French diplomat and Benedictine novice masterminded an undercover campaign to aid the Gregorian agenda of the Solesmes monks via French government intervention at the Vatican His vehicle trades unionists from within the book industry whom he mobilized into nationalist protest against Vatican attempts to enshrine a single contested and German version of the musical text as canon law Yet the political scheming necessitated by P coul s double involvement with Solesmes and the print unions almost spun out of control as his Benedictine contacts struggled with internal division and anticlerical persecution The results are as musicologically significant for the study of Solesmes as they are instructive for the study of Church State relations **Complete Catalogue of Sheet Music and Musical Works published by the Board of Music Trade, etc** Board of Music Trade (UNITED STATES OF AMERICA),1870 **Du Chant... - Primary Source Edition** Reynaldo Hahn,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Du Chant Reynaldo Hahn P Lafitte 1920 Music Instruction Voice Music Instruction Singing **Catalogue of the Allen A.
