Cruising Mulithill

Daniel Spurr

Cruising Multihull:

Multihull Seamanship Gavin Le Sueur, 2018-03-20 This is an A Z of seamanship skills for multihull sailors There are many textbooks on the market which detail general seamanship principles This is not one of them Multihull Seamanship is about sea going catamarans and trimarans and the skills needed to understand and enjoy them to their utmost Both racing and cruising yachts are catered for as are trailer able multihulls Seamanship is not a black and white skill It is an evolution of knowledge a building of information through experiment thought and experience There is no definitive word on an evolving skill Multihull Seamanship started as Dr Gavin Le Sueur s personal index of how to s It has grown through experience and others sharing their knowledge It should be on the book shelf of every catamaran and trimaran This book is for people who are already multihull sailors or for those who are contemplating multihull sailing It has served this community for over 20 years and this second edition is fully updated It is illustrated with delightful line drawings by Nigel Allison The Cruising

Multihull Chris White, 1996-09-22 Long typecast as the hotrods of the sea fast but dangerous modern cruising multihulls actually are among the safest and most comfortable cruising sailboats available Modern multihulls offer significant advantages over single hull sailboats They sail faster have more living space they re more comfortable more stable they can sail safely in much shallower water and because their stability comes from widely spaced hulls and not from tons of lead hung off the keel they don t sink Given the ultimate disaster which would you choose A capsized yet habitable boat floating awash or a self righting boat sitting at the bottom of the ocean And multihulls are fast A typical weekend cruiser s circle of operations might double if he switches to a multihull A transatlantic voyage might be cut by a third No less an organization than the U S Navy decided that applications requiring an extremely steady platform at sea were best suited to of all things a catamaran The Cruising Multihull supplies the reader with all the latest information about design construction rigs seamanship safety and a point by point rebuttal of the accepted wisdom concerning multihull dangers It will help you decide whether a multihull is right for you which multihull cat or tri is best for your needs whether you should build one yourself have one built or buy one off the rack And of course The Cruising Multihull shows you how to get the most from your boat I don t know of a more thorough survey of modern cruising multihulls than this book For strangers to these boats who want to know more about them as well as for multihull sailors eager to learn from a capable articulate designer and sailor with his own point of view I enthusiastically recommend The Cruising Multihull John Rousmaniere Finally a multihull voice which does not proselytize Instead logic and information pack the pages of Chris White s The Cruising Multihull WoodenBoat

Cruising World ,1991-08 **Cruising World** ,1995-01 **Cruising World** ,1991-08 *Cruising World* ,1991-08

Catamarans Gregor Tarjan, 2008-01-01 Combining how to manual buyer s guide and coffee table dream book Catamarans cover every aspect of cruising catamarans from the technical details to the luxurious relaxed lifestyle The first comprehensive book on cruising cats in more than 10 years Catamarans will be welcomed by anyone interested in owning or sailing one of

these increasingly popular craft The author reviews basic concepts of multihull design construction and performance discusses the latest catamaran developments and examines multihull seamanship and how it differs from sailing a monohull He outlines desirable attributes of multihulls explains what to look for when buying and presents a catalogue of noteworthy production boats illustrated with both photographs and floor plans This gorgeously illustrated book is the perfect introduction to the possibilities of these exciting sailing machines and an invaluable owner's guide **Sailor's Multihull Guide** Kevin Jeffrey, Nan Jeffrey, 2002-09 Loaded with how to information on chartering buying building owning and sailing multihulls Large format 2 page boat layouts covering over 150 Boats Exciting color photos of sail and power multihulls plus great gear and services Multihull Seamanship Gavin Le Sueur, 2018-03-09 This is an A Z of seamanship skills for multihull sailors There are many textbooks on the market which detail general seamanship principles This is not one of them Multihull Seamanship is about sea going catamarans and trimarans and the skills needed to understand and enjoy them to their utmost Both racing and cruising yachts are catered for as are trailer able multihulls Seamanship is not a black and white skill It is an evolution of knowledge a building of information through experiment thought and experience There is no definitive word on an evolving skill Multihull Seamanship started as Dr Gavin Le Sueur's personal index of how to s It has grown through experience and others sharing their knowledge It should be on the book shelf of every catamaran and trimaran This book is for people who are already multihull sailors or for those who are contemplating multihull sailing It has served this community for over 20 years and this second edition is fully updated It is illustrated with delightful line drawings by Nigel Allison
