

The background of the cover is a photograph of a sailboat on the water at sunset. The sky is a mix of orange, red, and dark blue, with the sun low on the horizon. The boat's mast and rigging are silhouetted against the bright part of the sky. Three people are visible on the deck, also in silhouette. The title text is overlaid on a dark rectangular area in the upper half of the image.

Payne,1996-01-25 Here s a book to hurl at the culinary barbarian on your crew though it s a lot more than a simple defense against digestion John Payne who writes with wit and clarity makes the business of learning to be a good sea cook much more entertaining than it might otherwise be All in all this is an excellent guide to the task of providing good food afloat Payne includes a lot of basic but need to know stuff like what kind of fruits and vegetables keep and how long how to really catch fish galley equipment safety on board gardening sprouting and hundreds of really excellent recipes Living Aboard [Cruising Cuisine: Fresh Food from the Galley](#) ,1997-09-22 Here s everything you need to know to create and enjoy fresh flavorful and healthful cuisine aboard with more

than 450 time tested palate pleasing recipes [The Care and Feeding of Sailing Crew](#) Lin Pardey, Larry Pardey, 2014-06-03

The Care and Feeding of Sailing Crew despite the title is hardly a cookbook rather it s a primer on successful cruising Certainly anyone contemplating or preparing for off shore passages would want to read and then keep this volume aboard A 50 day passage from Japan to Victoria Canada in 1979 provides Lin a base for discussing everything from menus to clothing to choosing a fresh chicken to dealing with port officials to preventing sea sickness to buying liquor abroad as well as the best material for underwear Lin and Larry have been full time cruisers and professional sailors for some 40 plus years it s all that they do They ve learned a lot and a great deal of their wisdom appears in this book where specific situations mix with general guidelines As a bonus Lin writes very well She s able to seamlessly tie one subject to the next in a style that seems like great conversation rather than reading a how to do it text By structuring the flow of information in and around the process of food preparation while experiencing the joys and travails of a very long passage she provides the reader with a good cruising tale enhanced with a thousand useful tips Tips vary from entertaining aboard to coping with money transfers There are great tips on provisioning in foreign ports as well as a strong suggestion to only go a short distance before anchoring following a farewell party Excellent chapters will help insure your crew stays healthy and well rested Others deal with creating an ideal galley From big ideas to small tips all are presented logically and with useful illustrations Learn why credit cards are safer to use than debit cards how to keep eggs for up to 3 months without refrigeration How you can determine which engine parts are likely to fail which plastic material makes the best water jugs how Lin outsmarted weevils and learned to bake fresh bread Find out which galley layout works best offshore Rain water catchers how to make the best kind On board trash collection and dealing with black water in boats lacking holding tanks Which cutlery and dinnerware holds up best Standing watches getting rest and using Dramamine as a sleeping aid The book covers everything from the value of a little black cocktail party dress to the safety of double sinks Finally intertwined in the cornucopia of wisdom is meal after nourishing meal sure to lift the spirits of a weary crew Those recipes and cooking tips alone make for a book of great value All the other info is just priceless gravy This fourth edition of The Care and Feed of Sailing Crew incorporates ideas and information gathered by Lin and Larry during their more recent voyages through the Line Islands and south through the Pacific to New Zealand The majority of chapters have been expanded to include the most up to date information on sources supplies and new technology Additional recipes and cooking ideas for use on cruising boats of all sizes have been added to ensure this valuable reference source continues to be relevant for all sailors who venture away from home be it for a weekend cruise to nearby islands or a voyage around the world [Cruising World](#) ,1985-01 [Kitchen Afloat](#) Joy Smith,2002 Written from a cook s perspective this book helps you choose supplies and provisions to fit your cooking styles and teaches you to plan and execute workable menus at sea and in harbour It includes up to date information on water stoves refrigeration nutrition food safety storage menu planning and clean up with a special feature on recipe development and a

set of original recipes **Cruising Cuisine** ,1968 *Son of a Sea Cook Cookbook* Michael Turney,2011-02-13 The position of cook aboard a private yacht most often falls upon the marriage partner of the owner captain and too often it is assumed that the skills acquired in the home kitchen will suffice afloat Perhaps for day and the occasional overnight trips that might be true but if you plan to venture farther afield or afloat there are far more factors to consider provisioning storage meal planning efficiently equipping the galley preparing meals in much more confined space and without the readily available materials that you would have in the shore based kitchen and last but not least safety *Son of a Sea Cook* provides the first time and even the experienced ship s cook with the necessary knowledge that with experience will become the skills to be a valued and sought after member of the crew **Cruising World** ,1998-01 **Yachting** ,1984-10 *Yachting* ,1984-11

Gently with the Tides Michael L. Frankel,1990 At one time or another almost all boaters and many non boaters fantasize about leaving behind the house lawn and neighbors and moving aboard a boat But leaving behind a familiar comfortable lifestyle for the Perils Of The Sea is a quantum leap not to be taken lightly That so few actually make thr break has less to do with the rigors of the lifestyle than the lack of information about what it s really like Since 1972 Living Aboard Journal has served as an idea exchange for the members of the Homafloate Association live aboards from all walks of life spread all around the globe Fueled by 18 years of the best letters articles and firsthand accounts from Living Aboard magazine Gently With the Tides is a powerful testimonial to the lure and romance of living aboard a boat It is also a compendium of the pitfalls disappointments and setbacks Most of all it is a high octane dream feeder for liveaboard aspirants It will help them decide whether to it will tell them how to and most important it will fill their dreams with why to *Southwinds Gourmet* Susan Garrett Mason,1998 Not just another cruising cookbook *Southwinds Gourmet Easy Recipes from a Cruising Cook* is a highly entertaining collection of stories and recipes Written by Susan Garrett Mason the book is not a matter of fact listing of recipes in a bland here they are style Instead the book imaginatively explains the history of many foods along with stories of how the author became acquainted with the recipes The stories are every bit as enjoyable to read as the food is to eat Susan started preparing these delightful meals while cruising with her husband aboard their boat in Florida and the Caribbean She refined the recipes to accommodate the small galleys tiny cooktops and limited counter space of most boats Sailors know there are many things to do while cruising other than spending time in the galley Therefore each recipe is easy to understand and quickly prepared using readily available ingredients *Southwinds Gourmet* shows it does not take an experienced chef in a huge kitchen to prepare meals that are simply sublime As a testament to the quality of the cookbook all 100 plus recipes in the book originally appeared in Susan s long running food column in *Southwinds sailing magazine* A food column runs that long only if the stories and food are great Even if you never intend to step foot on a boat you can still enjoy this great cookbook and all the quick and easy recipes it contains *The Cruising Chef* Mike Greenwald,1977-01 *The Complete Book of Motorboating* Bill Pike,1993 Cruising World ,1985-07 **Royal Caribbean International Cookbook** Rudi
