*The Cryptogram Book* Prosper Buranelli, F. Gregory Hartswick, Margaret Petherbridge, 1928      **David Mamet** Janice A. Sauer, David K. Sauer, 2003-09-30 The most complete record of a contemporary American dramatist available David Mamet A Resource and Production Sourcebook is the result of ten years research by a widely published drama and theatre scholar and a university bibliographic specialist Presenting a complete overview of all reviews and scholarship on Mamet the authors challenge assumptions about the playwright such as the charge that he is an antifeminist writer This comprehensive sourcebook is an essential purchase for Mamet scholars and students of American drama alike David Mamet A Resource and Production Sourcebook reflects the revolution underway in the study of drama in which not only previous scholarship but performance reviews are a necessary part of research It gives a complete listing and overview of over 250 scholarly articles and chapters of books on Mamet's plays It also presents the complete production history of each play including review excerpts The authors have produced an invaluable guide to research into this key contemporary dramatist      *The Plays, Screenplays and Films of David Mamet* Steven Price, 2008-09-09 David Mamet is arguably the most important living American playwright This Guide provides an up to date study of the key criticism on the full range of Mamet's work It engages with his work in film as well as in the theatre offering a synoptic overview of and critical commentary on the scholarly criticism of each play screenplay or film      Gender and Genre C. Hudgins, L. Kane, 2001-06-01 Critical and popular debate about Mamet's work often centers on whether we should read his misogynist unloving characters as reflecting his own misogyny or should recognize a Mametian irony in his memorable depictions Irony is intimately related to issues of genre and to audience expectations In turn Mamet's celebrity colors responses to his work The essays in this collection approach these controversial topics of gender and genre with verve ranging from those which cast Mamet as a macho misogynist to those which understand his work as deeply ironic and even feminist Topics include plays from the early *Sexual Perversity in Chicago* to the recent Jolly two films *House of Games* and *Homicide* and Mamet's first novel *The Village*      The Cambridge Companion to David Mamet C.
