

Cuba Castro

Robert R. Redfield

Cuba Castro:

Cuba, Castro, and the United States Philip W. Bonsal, 1971-10-15 Bonsal combines his memoirs of his experiences in Havana with an analysis of the relationship between Cuba and the United States both during the Batista and Castro regimes and during the earlier history of the Cuban Republic His discussion of Castro's personality is incisive portraying the Maximum Leader's increasing animosity toward the United States until the final break off of diplomatic relations between the two countries Bonsal's observations of Castro and the sociopolitical climate in Cuba are perhaps the most incisive and accurate of any to date on the subject All the events from the Revolution to the termination of diplomatic relations are discussed Of particular interest are Bonsal's accounts of his attempt to find a basis for a rational relationship between the United States and Castro's Revolution the rejection of that attempt by Castro and the abandonment by Washington of the policy of nonintervention in Cuban affairs which the Ambassador had advocated Finally in an evaluation of future relations between the two countries Bonsal analyzes some of the major problems of the coming years

Corruption in Cuba Sergio Díaz-Briquets, Jorge Pérez-López, 2006-10-01 While Fidel Castro maintains his longtime grip on Cuba revolutionary scholars and policy analysts have turned their attention from how Castro succeeded and failed to how Castro himself will be succeeded by a new government This is a comprehensive analysis of corruption in Cuba and prescriptions for minimizing it in the post Castro era While Fidel Castro maintains his longtime grip on Cuba revolutionary scholars and policy analysts have turned their attention from how Castro succeeded and failed to how Castro himself will be succeeded by a new government Among the many questions to be answered is how the new government will deal with the corruption that has become endemic in Cuba Even though combating corruption cannot be the central aim of post Castro policy Sergio Diaz Briquets and Jorge Perez Lopez suggest that without a strong plan to thwart it corruption will undermine the new economy erode support for the new government and encourage organized crime In short unless measures are taken to stem corruption the new Cuba could be as messy as the old Cuba Fidel Castro did not bring corruption to Cuba he merely institutionalized it Official corruption has crippled Cuba since the colonial period but Castro's state run monopolies cronyism and lack of accountability have made Cuba one of the world's most corrupt states

Cuba Under Castro Edward Gonzalez, 1974 **Castro's Cuba, Cuba's Fidel** Lee Lockwood, 2003-06-30 Mr Lockwood's exciting book

holds many surprises for the reader who has seen the Cuban reality up to now only through the distorting prism of propaganda During Mr Lockwood s latest 14 week visit to Cuba in 1965 he had a seven day marathon conversation with Fidel the transcription of which with excellent photographs constitutes the heart of the book A first rate psychological document this book is also an historical one in that it contains information necessary to the understanding of several conversational questions such as the priority given agriculture in the development of the Cuban economy the dissension between Moscow and Havana or even the intellectual road by which Castro came to Marxism Moreover it provides particulars up to now unknown Claude Julien The New York Times Book Review Lockwood gives us crowds posters individual studies Fidel in every possible mood the cities farms country towns most of Cuba is in the photographs Lockwood s text consists mainly of excerpts from several interviews he got from Fidel in 1965 In one way or another Fidel touches on all the events of crucial importance from the beginning of the insurrection until 1965 and the interviews thus become an explanation of the revolution that we badly need Jose Yglesias The New Republic The author s questions to Fidel are tough and penetrating and they elicited the same kind of answers The lively record deserves and encourages serious study K G Jackson Harper s Magazine Given the paucity of scholarly work on contemporary Cuba and the difficulty of visiting the island the photographs interview materials and interpretations of this gifted journalist must go high on the reading list of anyone professional or lay person who maintains a serious interest in Cuban affairs and in that most dramatic and important of twentieth century Latin American leaders Fidel Castro Richard Fagan Hispanic American Historical Review Fidel Castro Speaks with the People of Cuba Fidel Castro,1959 **Castro's Cuba** Nicholas Rivero,1962 From the John Holmes Library collection **Che** Fidel Castro,2006 Castro s own description of the historic political partnership that changed the face of Cuba and Latin America He vividly portrays Che the man the revolutionary and the thinker recounting in detail his last days with Che in Cuba and giving a frank assessment of the Bolivian mission **How Far We Slaves Have Come!** Nelson Mandela,Fidel Castro,1991 Speaking together in Cuba in 1991 Mandela and Castro discuss the place in the history of Africa of Cuba and Angola s victory over the invading U S backed South African army and the resulting acceleration of the fight to bring down the racist apartheid system *Castro's Cuba in Crisis and Reform* David Isadore Bednarek,1968 The Prison Letters of Fidel Castro Fidel Castro,2009-04-29 Early in Ann Louise Bardach s Cuban voyage she came across Cartas de Presidio or The Prison Letters of Fidel Castro Edited by Luis Conte Aguero who was the recipient of most of these letters they are cited in every important work from Hugh Thomas opus Cuba to Tad Szulc s Fidel biography and everything in between and since These twenty one letters nine to Conte Aguero six to his late sister and close collaborator Lidia one to his wife Mirta one to his comrade in combat Melba Hernandez letters one to the great scholar Jorge Manach are regarded as the single most valuable and revelatory document regarding Fidel Castro and the Cuban Revolution Never before published in English these letters were written when Castro was imprisoned for his failed attack on the Moncada from 1953 to 1955 and reveal a man of
