Djs Angel:

D.J.'s Angel: A Contemporary Paranormal Angel Romance Lori Handeland, 2017 From the voice of New York Times bestselling author Lori Handeland a contemporary paranormal angel romance She doesn't believe in love he won't settle for anything less Police officer D J Halloran is having a very bad day Not only was she involved in a shoot out with teenaged gang member but the mayor insists that she help his friend Christian McCall do research for his new book To top it off her guardian angel is driving her nuts As a child Chris McCall witnessed the brutal murder of his parents and on that day he vowed never to settle for anything less the type of true love that they had Why on earth is he falling for D J who believes in nothing but what she can see hear and touch After attempts are made on Christian's life D J spirits him out of town With the aid of her angel Josie D J must discover who is trying to kill Chris and why Josie has her hands full trying to fulfill her mission and teach her earthly charge how to love Will heavenly intervention allow Chris and D J to make it out of a tight spot alive Will D J learn how to love before it's too late For fans of Kristen Painter Robyn Peterman and Calla Zae *This is Not a Remix* Margie Borschke, 2017-08-10 Widespread distribution of recorded music via digital networks affects more than just business models and marketing strategies it also alters the way we understand recordings scenes and histories of popular music culture This Is Not a Remix uncovers the analog roots of digital practices and brings the long history of copies and piracy into contact with contemporary controversies about the reproduction use and circulation of recordings on the internet Borschke examines the innovations that have sprung from the use of recording formats in grassroots music scenes from the vinyl tape and acetate that early disco DJs used to create remixes to the mp3 blogs and vinyl revivalists of the 21st century This is Not A Remix challenges claims that remix culture is a substantially new set of innovations and highlights the continuities and contradictions of the Internet era Through an historical focus on copy as a property and practice This Is Not a Remix focuses on questions about the materiality of media its use and the aesthetic dimensions of reproduction and circulation in digital networks Through a close look at sometimes illicit forms of composition including remixes edits mashup bootlegs and playlists Borschke ponders how and why ideals of authenticity persist in networked cultures where copies and copying are ubiquitous and seemingly at odds with romantic constructions of authorship By teasing out unspoken assumptions about media and culture this book offers fresh perspectives on the cultural politics of intellectual property in the digital era and poses questions about the promises possibilities and challenges of network visibility and mobility *The American Healing Guide* George Charles Anter, 2018-06-25 Hello there When I was thirty eight years old I discovered that I am the original Jesus Christ and when that happened I knew for sure that this was the greatest discovery that was a culmination of every great discovery and accomplishment that came before At that point as the scientist that I am I knew that my duty to the world was to write down every one of my thoughtforms to share with humanity because my thoughtforms allow all to live their Christ selves effortlessly because they actually make up the divine superstructure of the universe So in

reading these thoughtforms they are being activated in your true awareness so that you are able to consciously understand what makes up the original Christ mind and what bridges the gap into your real Christ self This book is part 1 of the construction of the fifth dimension because as Christ I was able to defeat Satan in the Battle of Armageddon I will describe in depth how that happened and that started the fifth dimension of which these thoughtforms are the divine bolts that were invented by me to allow us effortless divinity **Before the volcano** Jonathan Skinner,Jonathan Skinner (Ph.
