Cutting Lisa:

Cutting Lisa Percival Everett, 1986 Retired Virginia obstetrician John Livesey recently widowed and discouraged by the world's crumbling morals meets a man who has just performed an unnecessary cesarean section on his wife so as to be the one to deliver their child. Though initially appalled by the act, Livesey finds himself recalling it later when he learns a friend is dying of cancer when his affair with a younger woman ends in disillusionment and when during an extended visit to his son and his family in Oregon he realizes his daughter-in-law's unborn baby does not belong to her husband. Coming to admire the calm directness with which the man took matters of life and death into his own hands, Livesey begins to reconsider what he values and what he will protect. Copyright Libri GmbH All rights reserved God's Country Percival Everett, 2024-03-05 Mr Everett is successful combining heart with rage. The novel sears. David Bowman The New York Times Book Review. This comic and fierce novel spoofs the classic Western format with the dark incisive humor we've come to expect from the acclaimed National Book Award and Pulitzer Prize winning author of *James*. One of the earliest works anchoring Percival Everett's illustrious career, *God's Country* is by turns funny, shocking, and devastating. The unlikely narrator through this tale of misadventures is one Curt Marder, gambler, drinker, cheat, and would-be womanizer. Unfortunately, he's a coward. When he sees a band of Injun impersonators pillaging his home, he has half a mind to ride down that hill and say something, but it was just half a mind after all. It's 1871, and he's lost his farm, his wife, and his dog to a band of marauding hooligans. With nothing to live on but a desire to recover what is rightfully his, Marder enlists the help of the best tracker in the West, a Black man named Bubba. With an introduction from renowned novelist Madison Smartt Bell, this is the perfect edition to add to your growing Percival Everett collection. As NPR's Michael Schaub noted, "It's impossible to predict what the next Everett book will bring, but it's always a safe bet that it's going to be great." California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., **Thy Light, Thy Way ...** Joseph Byron I, 2016-09-29 A newborn's death occurs in secret, coupled with a mother's regret and guilt; it serves as the origin of hatred that leads to the murder of the nurse who witnessed the death. Sam Steele, a thirty-three-year veteran agent of the Georgia Bureau of Investigation and a devout Christian, answers the call to assist Sheriff Charles Roper of Creek County in looking into the nurse's murder. Investigating the murder of a reclusive young woman whose passions were running and finding peace with nature's God, Sam processes a crime scene that produces scant evidence, and examining the body reveals little except the horrible manner of the young woman's death. As those in the know close ranks and refuse to give Sam any information that might explain the murder, the case begins to grow cold until a murder in another county suddenly reveals an unexpected connection. In this mystery novel, an agent for the Georgia Bureau of Investigation hunts the murderer of a young woman unaware of the strange sequence of events that he will bring to light.

Jesting in Earnest Derek C. Maus, 2019-04-02 A critical analysis of Percival Everett's oeuvre through the lens of Menippean satire. Percival Everett, a distinguished professor of English at the University of Southern California, is the author

of more than thirty books on a wide variety of subjects and genres Among his many honors are the American Academy of Arts and Letters Literature Award the Huston Wright Legacy Award for Fiction the PEN Center USA Literary Award for Fiction and the Dos Passos Prize in Literature Derek C Maus proposes that the best way to analyze Everett s varied oeuvre is within the framework of Menippean satire which focuses its ridicule on faulty modes of thinking especially the kinds of willful ignorance and bad faith that are used to justify corruption violence and bigotry In *Jesting in Earnest* Maus critically examines fourteen of Everett s novels and several of his shorter works through the lens of Menippean satire focusing on how it supports Everett s broader aim of stimulating thoughtful interpretation that is unfettered by common assumptions and preconceived notions
