Daily Devotions For Winter:

Faith Food Kenneth E. Hagin, Daily Devotions for Winter Kenneth E. Hagin, 1977-11 In those cold winter months when life is still and quiet rest assured that God is actively at work in your life Meditating on the Word of God in this book will bring peace and comfort to your heart **Shards of Light** F R Giles, 2024-12-08 WINTER TO SPRING EDITION January through March Beyond the day to day life of a Christian is a hunger to truly connect with Christ and find what life and faith mean personally It seems that on Sunday we might tell ourselves we will dig deeper into prayer and the scriptures We will seek God for real But Monday has other plans The hassles and distractions and general tasks of daily life can turn the best Christian all around and before we know it we are just sliding under the gate into Sunday and hoping God shows up F R Giles knows this all too well For years the habit of a spiritual life was an uphill climb But now he has broken through to the place where God has wanted him all along Sometimes the simple habit of a daily devotional can bring the connection to God we need In this case however the author s heart was for a deeper spiritual growth for himself and others That is why the daily devotionals of this book include the very best of the author s experiences with God through life Bible study and connection with the Holy Spirit There are shards of God s light throughout the world They are hidden in the Holy Bible in long forgotten sermons in our day to day experiences in nature in old books and movies in circles of friends in places we don t even know exist and on every level and in every season of our life F R Giles has compiled the very best shards of God s light from his own life to share in this devotional for you Shards of Light is a daily devotional for the entire year But there are four editions available by seasons as well as the complete year edition The four seasonal editions are Winter to Spring Spring to Summer Summer to Fall and Fall to Winter Each contain three months of daily devotionals The complete edition contains all four and is the same content in one book Originally this series was made for the year 2025 and aligns with that calendar but can be used for any year The daily entries derive from the author s personal times of prayer and study and include his own experiences with God studies and visions and also included are excerpts from some of his favorite hymns sermons spiritual works and stories with commentary He has also included a prayer with every devotional for your use The Winter to Spring Edition starts with January through March Spring to Summer includes April through June Summer to Fall includes July through September Fall to Winter includes October through December This is from the January 1st entry Today is the impossible day you fear You didn t want to get up You didn t want to face the mirror You couldn t imagine eating breakfast let alone getting ready And yet here you are It seems like a crossroads moment Something will be decided today One way or another Tomorrow will not be the same The stillness of anticipation the anxiety of change the trepidation of the next step holding you against the wall pulling you toward the edge and every foothold is slipping with nothing to hang onto You know it looms on the horizon and you know how much it means But nobody else does There might be that one or those few who say they know They don t They can t Not really This moment was always about you and how much you ve been through Nobody

understands everything that s happened Sometimes you have a difficult time putting it together But that is where God wants us We have gone a little too far relying on our own strength So today take time to lean back into God Let God be your courage and your strength today Trust Him to hear you and trust that God does understand F R Giles invites you to find your own connection with a real and loving God by taking a journey of devotion and prayer daily that will open your heart to know God more Because every day presents an opportunity to gather Shards of Light **Seasonings** Donna Huisjen,2012-11-16

A Winter Name for God R Scott Colglazier,2005-06-30 Regardless of where we live or what season it may be we all experience the long darkness of winter in our lives During our winters we wait for the coming of spring for better times for our prayers to be answered And during Advent we wait for the coming of the Christ child and the new hope and new life that he brings A Winter Name for God sheds light on the darkness of winter offering thirty one devotions filled with warmth and hope to open our hearts to the miracle of Christmas Annotated with stories experiences and observations from ordinary events of life these daily devotions and prayers help us to see profound spiritual insights about faith such as the ordinary birth of a child that so utterly changed the world Although in Advent our joys and sorrows are felt most keenly the divine presence endures through all seasons A Winter Name for God celebrates that enduring presence of God s love revealed to the world through Jesus Christ

When Winter Comes Dr. Sandra L. Bailey,2019-07-30 Reflected in the seasons of our lives and our souls are the seasons of nature winter spring summer and fall Winter for many is the season that is most dreaded because of the harshness that is associated with it It is a season of contemplation and one that is not so welcoming Synonymous to the word winter is biting bleak crisp brisk cold bare chilling among others hence you can understand why Even with the challenges that winter presents there are many positive aspects of winter both naturally and spiritually In the natural it allows the soil and plants to reset themselves thus yielding a greater harvest and in the spiritual it also strengthens us as our roots get deeper in our purpose Through her personal stories and life s lessons Sandra shares how her faith strengthened her resolve during her winter seasons in several areas of her life Seasons when the cascade of snowflakes blanketed her dreams leaving a landscape of bare trees and brown grass She leaves the readers optimistic that the winter season which represents life s challenges does not define them and that the season was not ordained to kill them In fact it is to strengthen them for their next harvest In sharing her fleece that kept her warm during some of the most trying periods of her life it is her hope that it will bring warmth to someone who might be experiencing their winter
