hat We prune our shrubs clip our hedges and fashion some plants into the recognizable shapes of birds or animals Nothing new there either The only thing that makes bonsai different from any other form of horticulture is that it involves creating a miniature image of a larger tree and keeping it that way in a container that is shallower than usual The only thing that makes it different from any other art form is that the medium we work with is alive and constantly changing Bonsai involves no magic potions no special philosophy and no degree in oriental studies All it requires is a woody plant a pot a handful of basic tools and a few years patience Think you can manage that Of course Read this book try out the techniques for yourself if you kill a few trees don t worry we ve all done that Above all have fun that s what bonsai is all about GET YOURS TODAY
