Buried Screams:

Buried Screams C. Dean Andersson, 2018-09-30 IT CAME FROM BELOW Stoneridge was a peaceful almost boring little dot on the Kansas prairie until the night a bottomless shaft mysteriously appeared in the town cemetery and one by one something below began scaring the people of Stoneridge to death AND KNEW JUST HOW TO SCARE THEM Karl Beth and Erik were well acquainted with fear For years they'd been plagued with painful scars from their childhood terrible secrets that had long been buried But something below wanted these three in its legion and one thing it knew was how to unearth buried terror Thrown into their worst nightmares Karl Beth and Erik had no choice but to endure the horror unless they found the way out of the darkest pit they'd ever known **NO WAY BACK** Prabhu TL, 2025-05-14 No Way Back In a city of lies the truth is the deadliest betrayal Metrovale is a city that never wanted saving Behind its gleaming towers behind the propaganda of order and peace a brutal truth festers the people aren't victims they are the architects of their own cages Ethan Cross tried to change that He exposed the system He shattered the masks They erased him for it Now years later the city has rebuilt itself under shinier slogans and prettier chains But when Ethan returns it's not to lead another doomed rebellion it's to haunt them To remind them To ensure they never forget the screams they silenced But in a world where betrayal is survival and the system adapts faster than the rebels can fight it even ghosts can be turned into tools Even truth can become the ultimate lie A ruthless gripping and deeply psychological dystopian thriller for readers who crave Dystopian psychological thrillers with morally gray anti heroes Dark futuristic political fiction exploring power control and memory Gritty urban dystopia where the enemy isn't the system it's the people themselves Books like 1984 Blade Runner and Altered Carbon that ask what happens after the revolution fails Intense mind bending fiction about betrayal guilt and the price of truth What readers can expect A brutal no holds barred exploration of control betrayal and the endless cycle of systems that consume even their rebels A dark anti hero who accepts he's not the savior they never wanted him to be A story where every victory is a mask and every mask cracks An ending that dares to tell the truth There is no way back If you love dystopian thrillers that pull no punches explore the darkest sides of human nature and refuse to offer easy answers then No Way Back will stay with you long after the last page Scroll up and grab your copy of No Way Back today Because some ghosts never leave And some lies never die *The Phantom's Wrath* Z.K.
