The Bone Stranger Frank Remkiewicz,2024-05-16 Boney Ranger and his faithful companion Wolfgang ride to the rescue when the Raccoon Brothers hold up the stage and steal the orphan s doggie bones **Bone Stranger** Frank

Remkiewicz,2023-04 **The Bone Labyrinth** James Rollins,2015-12-15 A war is coming a battle that will stretch from the prehistoric forests of the ancient past to the cutting edge research labs of today all to reveal a true mystery buried deep within our DNA a mystery that will leave readers changed forever In this groundbreaking masterpiece of ingenuity and intrigue that spans 50 000 years in human history New York Times bestselling author James Rollins takes us to mankind s next great leap But will it mark a new chapter in our development or our extinction In the remote mountains of Croatia an archaeologist makes a strange discovery a subterranean Catholic chapel hidden for centuries holds the bones of a Neanderthal woman In the same cavern system elaborate primitive paintings tell the story of an immense battle between tribes of Neanderthals and monstrous shadowy figures Who is this mysterious enemy depicted in these ancient drawings and what do the paintings mean Before any answers could be made the investigative team is attacked while at the same time a bloody assault is made upon a primate research center outside of Atlanta How are these events connected Who is behind these attacks The search for the truth will take Commander Gray Pierce of Sigma Force 50 000 years into the past As he and Sigma trace the evolution of human intelligence to its true source they will be plunged into a cataclysmic battle for the future of humanity that stretches across the globe and beyond With the fate of our future at stake Sigma embarks on its most harrowing odyssey ever a breathtaking quest that will take them from ancient tunnels in Ecuador that span the breadth of South America to a millennia old necropolis holding the bones of our ancestors Along the way revelations involving the lost continent of Atlantis will reveal true mysteries tied to mankind s first steps on the moon In the end Gray Pierce and his team will face to their greatest threat an ancient evil resurrected by modern genetic science strong enough to bring about the end of man s dominance on this planet Only this time Sigma will falter and the world we know will change forever *Adventure*

,1918 **A Stranger's House** Bret Lott,2011-11-15 For a long time Claire and Tom Templeton have wished in vain for a child What they have instead is a house a charming old Cape that is their consolation In the gray chill of a Massachusetts autumn the Templetons and two local handymen loners and eccentrics work to rebuild the ramshackle home As the house takes on a new life Claire begins to understand its tangled history and to reconcile her own past and renew her hope for the future **Soyala's Saga** Richard Donahue,2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several

elements that are very well suited for a film or theater piece. Because both these mediums usually feature the interactions between characters, the strong personalities of *The Sixth Coming* are essential to capture Soyala as a great heroine from her borderline petulance over the Builders' gift to her reluctant and confused acceptance of her destiny. She isn't perfect, which makes her all the more compelling as she overcomes overwhelming odds. Kajika, Burilgi, and the Minstrel are wonderful supporting characters. Each of these brothers has his own distinct personality, and their squabbling provides comic relief. Burilgi and the Minstrel, in particular, provide humor. Kajika could bring in sex appeal for female audiences, while Soyala and Xochiquetzal could do so for males. Xochiquetzal Tona teotl is a fascinating villain. Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film. The later scenes on the Barge are thrilling due to Tona teotl's increasingly evident madness. These scenes would provide terrific moments for an actor to really chew up the scenery.

[A Box of Bones](#) Marina Cohen, 2019-05-28 Twelve-year-old Kallie despises nonsense. She believes there's a rational explanation for everything despite the good-natured prodding of her Grandpa Jess, who takes her to frivolous wastes of time like their town's local Festival of Fools. There, Kallie meets a faceless man, must be some kind of mask who gives her a strange wooden puzzle box, must be some kind of gimmick. Intrigued, despite herself, Kallie sets to work on unlocking its secrets and lets something out. From here, Kallie's life begins to entangle with another world, a world where Liah, a young bone carver, journeys with her master to sell wares to a wicked Queen. The sights, sounds, smells, and spells of Liah's world are beginning to leak into Kallie's, and if Kallie can't decipher the meaning of her own story, the end might be far from happy.

[Skits and Plays](#) Gwen Suchy, 2011-06-27 Skits and Plays in Poem and Praise presents Bible characters, Bible history, and Christian values in entertaining productions. Rhyming lines are easy to remember, sets are simple, and props are few. Rehearsal time is minimal, and some of the plays involve audience participation. Rhyme and rhythm with words is a fun way to share Bible stories, history, and messages. The plays are fun to produce and fun to participate in.
