Booby Trapped:

Malice Aforethought Ian Jones,2021-06-02 War has always provided a stimulus to technological development and throughout the twentieth century this new technology was harnessed to produce increasingly deadly and malicious types of explosives in the form of booby traps mines delayed action devices and mobile charges Designed constructed or adopted to kill or injure these lethal mechanisms function when a person disturbs or approaches a seemingly harmless object or performs an apparently safe act In other instances they are set off by remote control or automatically after a lapse of time Fully illustrated with diagrams and photographs Malice Aforethought traces the design deployment and effectiveness of these deadly devices throughout both world wars to the Vietnam War Expertly and compellingly written this unique study is a tribute to the brave men who risked their lives daily to neutralise the booby traps laid in the dimly lit dugouts of the Western Front on the beaches of Normandy or in the dark and dangerous tunnels of Chu Chi *Disguised weapons* ,1983 **Booby Trap Identification And Response For Law Enforcement Personnel** Tony L. Jones,1998-11-01 This manual teaches cops and other law enforcement personnel all they need to know to recognize a booby trap and respond properly Find out where booby traps are most commonly employed the 11 physical signs that most often signal a trap what to do andnot do if a trap is suspected or found how to safely search a building outdoor site or vehicle and the one indicator that practically guarantees that a building has been booby trapped Shows more than 90 different booby traps in place For academic study only *Army Digest* ,1967 **The Law of Armed Conflict** Gary D. Solis,2021-10-21 This book introduces students to the essential questions of the law of armed conflict and international humanitarian law **Vietnam War Booby Traps** Gordon L. Rottman,2020-10-29 Written by a noted authority this fully illustrated study investigates the development construction use impact and legacy of the booby traps used by Viet Cong forces during the Vietnam War **EFFECTIVE RESPONSE TO SCHOOL VIOLENCE** Tony L. Jones,2001-01-01 This timely and comprehensive guide is designed to meet the security response needs of both educators and law enforcement personnel by detailing how an effective response plan can be developed to deal with the issue of school violence By implementing the guidelines detailed in this book those in responsible positions can help prevent the incalculable costs of death facility destruction disruption of operations negative public perception and the resulting embarrassment that these acts cause The information presented will help reduce the amount of collateral damage to the threat area and adjacent areas It is designed to expand the effectiveness and performance of special response police forces fire department personnel medical aid personnel and ancillary support personnel as well as provide a comprehensive guide to school administrators and other educators who are concerned with school safety issues The main idea behind this book is the principle of saving lives when all other proactive means have failed It focuses on the elements of rapid containment area control and the re securing of the affected area The author emphasizes that time is an essential factor the longer the perpetrators remain active the higher the likelihood that additional people will be killed In addition the

book is designed to generate a detailed analysis of possible contingency plans for respective emergency responders An analysis is also included that is site specific and which will help to streamline the planning efforts of all emergency responders thus heightening personnel survivability and mission success It is a must read for those who are responsible for school safety and security
